**Binghamton District.**—Binghamton District was called, the character of Thomas Harroun, its Presiding Elder was passed, and he read his report as follows:

#### BINGHAMTON DISTRICT.

Binghamton District forms a very important part of the two great states, New York and Pennsylvania, and is geographically quite near the center of the Conference. There is something in climate, or locality, or something else, that as soon as a good preacher, and a good pastor, gets on this field, he realizes that he occupies one of the most desirable and useful portions of the Conference.

The work committed to such workmen must advance, and this has been the case this year. They are a brave, united, self-sacrificing, efficient corps of God's workmen. They believe in the doctrine and hold to the peculiar forms of our own Church.

Rev. Wm. B. Kinney, a superannuated member of the Conference, died in great peace, at his home in Binghamton, Dec. 18, 1891. He contracted disease in the Union army, from which he never recovered. He was a faithful and useful minister. After appropriate services we laid the weary itinerant away to rest.

The lives of the pastors and their families, though afflicted and embarrassed by the prevailing epidemic, La Grippe; have all been graciously spared, and have labored with one end in view, to accomplish the task assigned them by the Church.

Their work has been embarrassed by the Church struggling with debts incurred the two previous years, caused by general depression of business; and during the last half of the year, just at the time when the brethren were looking after their collections, and pushing the revival work, came this epidemic, reducing congregations and dispiriting the people, and the past few Sabbaths many were prevented from getting to their appointments by snow banks; but their untiring zeal and devotion to the cause of God and Church will show that we have not only held our own, but made some advance.

#### CHURCH BUILDING AND IMPROVEMENTS.

By the brave and heroic efforts of the pastor and his co-laborers of Lestershire, a beautiful and commodious church has been built, and the plan of the trustees in providing for its indebtedness was carried out on the day of dedication.

Also, at the Lemon appointment, on the Springville circuit, has been erected a church of modern style, every way adapted to the demands of the community, and on the day of dedication its indebtedness was all provided for. On the same circuit, at the Dimock appointment, a church was purchased of the Presbyterians, and so repaired as to be made substantially new, and at the reopening all expenses of buying and repairing were met.

Church repaired at Vestal at a cost of \$150.

Centenary retains its merited prestige, has improved and enlarged its church, has built a spacious gallery to accommodate its growing congregation, increasing its seating capacity 400, with the necessary repairs on parsonage, making a cost of \$4700, every dollar of which has been paid. The spiritual work has kept pace with the temporal prosperity.

Church at Nicholson painted and frescoed.

At Franklin Forks, papered and painted church, and improved parsonage by paint and blinds.

At Oakland, paid old debts, and adorned the church by paint, steeple and bell.

Lanesboro has greatly improved its church and parsonage by paper and paint.

New Milford has built a number of sheds, a much needed improvement, and has paid old debts to the amount of several hundred dollars.

The indebtedness of long standing on the parsonage at Montrose of \$1100, many of the brethren will be glad to know, has been paid, relieving the society of debt on church and parsonage, so now it may take its merited place as one of the desirable appointments.

Tabernacle, aside from current expenses and Conference collections, has paid on church debt \$8500. This includes a very generous gift from Bro. H. H. Cray of \$5000. The net increase in membership is 75.

Foster appointment, on Brooklyn Charge, has finished paying its debt on the new church.

Hawleyton has expended \$150 on repairs.

Rush has made improvement on parsonage property.

High Street has paid on church debt \$3200.

There has been a steady growth both financially and spiritually at Union, and also at Factoryville.

The revival work of the District has been marked by unusual thoroughness, pungent conviction, and scriptural conversion. There have been revivals at Vestal, Franklin Forks, West Nicholson, Lestershire, Gibson, Springville, Auburn, Newton, Fairdale, Brooklyn, Harford, Kirkwood, New Milford, Nicholson, Oakland, Rush, Susquehanna, Clinton Street, Chenango Street. A large number of conversions at High Street.

Our camp meetings at Hooper and Dimock were never more largely attended, and perhaps better results were never realized; the Church was quickened, believers were sanctified, and a large number of sinners converted. There is a growing interest in this means of grace; grounds are improved, cottages built, and a large, commodious Epworth Hall was erected on the Dimock ground, formally dedicated, and paid for.

I think the Epworth League is doing excellent work on the District. There are 24 chapters and 1520 members. Two great facts must be realized if the design of this organization is carried out: 1st, the development of a religious experience so needful to the contentment and steadfastness of its members; 2d, utilizing and making available a large number of members whose influence and strength the Church has failed to realize to its fullest extent.

We held two District Epworth League and Sunday School conventions jointly, which were largely attended; a spirit of enthusiasm prevailed; inspiration was given to each subject, resulting in the formation of new chapters, and in more earnest Sunday School and League work.

Our Sunday Schools are organized and conducted as directed by the Discipline in most cases; where they are, their success and prosperity are very apparent. With few exceptions they are using our own Church helps, and are formed into missionary societies.

#### THE BENEVOLENCES.

Usually the pastors have appreciated the importance of, and their relations to, this branch of Church work, and have directed their efforts accordingly. When they have organized and classified their work, early in the year, and have strictly adhered to some system, and have striven to carry it out, it has been attended with marked success. I have noticed that failure, with rare exception, is the result of delay, a want of system and energy. Still the largest amount raised does not always determine the effort made, for such is the nature of the soil where we glean, that sometimes he who gathers least has toiled most.

#### PERIODICALS.

What sunbeams and falling showers are to nature, making it not only cheerful and beautiful, but more productive, so where comes our Church periodicals is made a more intelligent, cheerful and liberal people; hence we as pastors reckon our editors and papers as among our chief helpers. A very encouraging and hopeful sign is that there are more of our Church papers taken on the District than in previous years.

Our ministers are abreast with the times in reference to all subjects of moral reform, and are especially pronounced enemies to the whole liquor traffic. God has positively forbidden giving it to a neighbor, and has pronounced a woe on the giver; there is no power in government or civil authority to change this edict. Therefore there is no abatement of zeal, no purpose of stacking our arms, or leaving the field of fray, until

that which is a nuisance, a great curse, a reproach to any people, shall receive its merited doom.

For the privilege of toiling in God's vineyard, sowing and reaping, preaching, praying and weeping, another short year, we are grateful to the great Head of the Church.

**Names of Reporting.**—On motion of J. C. Leacock, it was ordered that in giving reports each pastor state, (1) whether all the collections have been taken, (2) the amount apportioned and the amount raised for Conference Claimants, (3) the amount raised for missions last year and this year, and (4) spiritual work.

**20th Question.**—The 20th Question was again taken up. Honesdale District was called, the character of John B. Sumner, its Presiding Elder, was passed and he read his report, as follows:

#### HONESDALE DISTRICT.

The year now closed has been one of struggle and of victory. To hold our own against the powers of darkness requires no small degree of heroism, but to besiege the strongholds of Satan and win for Christ demands the faith of an Abraham and the courage of a Daniel. Surely,

"Tis not a cause of small import,  
A Pastor's care demands;  
But what might fill an angel's heart,  
And filled the Savior's hands."

Honesdale district has been worked the past year by a band of loyal Methodist preachers. One supply was laid aside by sickness and afterwards excused from work. All the other pastors have labored faithfully and successfully during the year, in full accord with each other and their Presiding Elder. Three circular letters were sent out, one to the Stewards and two to the Pastors, urging the faithful performance of their duties upon each. I can only judge of the good accomplished by the results. If better work has been done by pastors and stewards through their influence I am glad they were sent.

Two Camp Meetings were held, one at Uniondale and the other at Salem. The former opened on Monday and closed Friday evening. It was a rainy week and the attendance was small. The one at Salem was considered the best one held there for many years.

A very successful District Epworth League was held at Dunmore in December, the only one held this year. Some ten Chapters have been organized since my last report, and there are now over one thousand members on the district. They are uniformly helpful in Church work and a great blessing to the young people.

In June we dedicated the new church at White Mills, providing for the debt except \$430. In January the church at Prompton was reopened, after a new floor had been laid, opera chairs put in, and other repairs made, at a cost of \$295. There was an old debt of \$26 and a note of \$104 held by Mrs. Justus Sears, which she generously donated, and so the whole amount of \$425 was provided for at the reopening. A new church at Nay-Aug, Dunmore charge, is nearing completion.

Something has been done in paying debts and improving Church property. Improvements are reported from two-thirds of the charges, amounting to over \$4,000, mainly in small sums except Jermyn \$800, Honesdale \$935 and Dunmore \$1082. The last named was for painting and roofing the church, and a furnace, painting, and furnishing the parsonage. The debt on the North Abington parsonage has been paid and the mortgage burned. The debt at Uniondale has been reduced materially, and the entire debt of \$3,700 on the Jermyn church has been paid. One year after the dedication a Jubilee Service was held, lasting three days. Nearly all the former pastors were present and took part. The last evening the mortgage was reduced to ashes, in the presence of the congregation, while they shouted and sung the Doxology. The Church and its efficient pastor are to be congratulated on their success. A little larger salary will make this a very desirable charge.

The pastors have reported over 1100 conversions this year, and 800 received on

probation. A few charges have not yet reported to me. Revivals have prevailed on nearly every charge. Among the most notable I might mention Sterling, Bethany, Peckville, Dunmore, Damascus and Honesdale, aggregating 700 conversions. Evangelists were employed on several charges.

The Missionary collection will show a fair increase. As far as reported, fourteen charges have raised more than last year and only three less. The largest per cent of gain is on Cherry Ridge charge, where they advance from \$6 to \$38. A commendable advance was also made at Hales Eddy, Lake Como, Thompson, Bethany, Damascus, Dunmore and Jermyrn.

The salaries of the pastors are quite generally paid in full, and the benevolent collections are larger than last year.

The new church at Carbondale is about to materialize. A temporary tabernacle is now ready for the congregation and work will begin upon the new structure as soon as the old church can be removed. It will cost \$25,000 to \$30,000, over \$20,000 of which is already on subscription. May God bless them in this godly undertaking. And may God bless all the Churches, and all the pastors on Honesdale district.

**Effective Elders Called.**—The following Effective Elders were called, their characters were passed, and their reports were given : Jos. Madison, J. H. Boyce, Wm. Edgar, J. A. Transue, Samuel Homan, J. C. Leacock, J. H. Weston, I. N. Shipman, H. C. McDermott, P. R. Tower, A. W. Cooper, J. V. Newell, Philip Holbrook (previously granted a superannuated relation), and W. B. Westlake.

Necessary to a choice, . . . . . 82

L. L. Sprague received 95 and Thomas Harroun 90, and they were declared elected.

**Closing.**—Announcements were made, the benediction was pronounced by Bishop Bowman, and Conference adjourned.

## SIXTH SESSION.

FOURTH DAY—SATURDAY, MARCH 26, 1892.

**Opening.**—The Conference convened at 8.30 o'clock A. M., Bishop Goodsell in the chair. After the usual prayer service the business session opened at 9 o'clock.

**Journal.**—The minutes of yesterday's sessions were read and approved.

**Third Ballot.**—The third ballot for General Conference Delegates was taken and the tellers retired.

**Observance of the Sabbath.**—F. A. Dony presented the following resolutions, which were unanimously adopted by a rising vote:

WHEREAS, It is apparent that a persistent effort is being made by the enemies of the Christian Sabbath to cause the Columbian Exposition, or World's Fair, to be held in Chicago in 1893, to be open on the Lord's Day, commonly called Sunday, therefore,

*Resolved*, That Wyoming Conference, assembled in its annual meeting at Wilkes-

Barre, Pa., embracing over two hundred ministers and representing a constituency of more than thirty-five thousand members, enters an earnest and emphatic protest against the action suggested, and respectfully petition the Commissioners having the matter in charge, in the name of God and for the honor of the nation, to stand firm in opposition to this infidel proposition, the success of which would disgrace the land which Columbus discovered, and compromise, if not utterly destroy, its Christian character in the eyes of other nations, who will come to witness at once our glory and our shame. We also solemnly protest against the sale of intoxicating liquors on the grounds of the Exposition.

*Resolved*, That while we are greatly interested in the proposed Exposition, and will pray and labor for its honorable success, we are opposed to any appropriation by Congress of even one dollar of the public funds, and will wash our hands of any part in the great national humiliation proposed, advising Christian men to withhold their exhibits and refuse to aid the said Exposition even by their presence, except the gates be closed on the Sabbath of the people, which we believe to be their greatest heritage.

*Resolved*, That we request the Pennsylvania Commissioners of the Columbian Exposition to close the Pennsylvania exhibit on every Sabbath of its continuation.

F. A. DONY,  
C. A. BENJAMIN.

**Time of Conference.**—The following resolution was presented by H. M. Crydenwise, and on motion adopted:

*Resolved*, That the Board of Bishops be respectfully and earnestly requested, if practicable, to fix the time of the Session of our Conference not earlier than the second week in April, and that the Secretary furnish a copy of these resolutions to the Board.

H. M. CRYDENWISE.      A. J. VAN CLEFT.  
MANLEY S. HARD.      W. TREIBLE.  
JOHN B. SUMNER.

**Minutes.**—It was carried, on motion of W. L. Thorpe, that the Secretary be authorized to publish the Minutes.

**Appropriated for Detailed Missionary Report.**—On motion of W. L. Thorpe, it was carried that the sum of \$250 be appropriated for the publication of the "Detailed Missionary Report," and an order be drawn on the Conference Treasurer for that amount.

**Invitation of Y. M. C. A.**—On motion of Austin Griffin, the Conference acknowledged the invitation of the Wilkes-Barre Y. M. C. A. to visit their new building, and Monday, between the hours of 5 and 6 o'clock P. M., was fixed as the time for this visit.

**Request to Secretary.**—J. F. Warner presented the following resolution, which was on motion adopted:

*Resolved*, That the Secretary be requested to forward to the several pastors, with their Blank Reports for the next Annual Conference, suitable paper for the Detailed Missionary Report, and that the pastors use the same in preparing said report. Also, that the Secretary be requested to procure Statistical Blanks sufficiently large to receive the reports from an entire district, if it can be done without additional expense. Also that a separate envelope be provided in which the papers relating to Local Preachers and Post Offices shall be placed.

J. F. WARNER.      H. C. McDERMOTT.  
O. L. SEVERSON.      J. L. THOMAS.  
W. T. BLAIR.      MANLEY S. HARD.

**Excused.**—I. N. Shipman was excused from attendance till Monday, and D. D. King during the remainder of the Conference session.

**Trustee of Wesleyan University.**—The Secretary read a communication from Wesleyan University, concerning the election of a Conference Trustee for that institution, and, on motion of Austin Griffin, the matter was referred to the Committee on Education.

**20th Question.**—The 20th Question was again taken up. The following Effective Elders of the Honesdale District were called, their characters were passed, and their reports were given: W. R. Cochrane, Philip Houck, Thomas M. Furey, Will H. Hiller, A. C. Olver (previously granted a supernumerary relation).

**Oneonta District.**—Oneonta District was called, the character of A. J. Van Cleft, its Presiding Elder, was passed, and he read his report, as follows:

#### ONEONTA DISTRICT.

When Bishop Bowman, at the close of the last Conference, read the appointments and announced Oneonta District, T. P. Halstead, we little thought he would not complete the year of service. There were none of us but expected to meet him at this session and hear his report.

But we have again been reminded of the uncertainty of human life, and the truthfulness of the words in our burial service: "In the midst of life we are in death."

Our brother had scarcely reached his home before he was stricken with a disease which in a very short time terminated his earthly career. It can truthfully be said of him, he "ceased at once to work and live."

He died April 22nd, and his body was laid to rest in the beautiful cemetery overlooking the Susquehanna river at Afton, N. Y., April 24th. The funeral services were held in the Afton Methodist Episcopal Church, under the direction of Brother McAnulty, and were participated in by a number of his brethren and fellow laborers of the Conference. Of our departed brother we are constrained to say, "he was a good man and full of the Holy Ghost."

He took a very active interest in all that pertained to his district, and labored hard and unceasingly to develop its resources, and to build it up.

April 29th, I was summoned from my work in an adjoining district by Bishop Bowman, and directed to take charge of the affairs on this important field.

I found the work of the district in most respects well organized and manned by 26 loyal, earnest, and capable pastors.

I also found upon most of the charges, strong and good men in quarterly Conferences, and I may add, earnest christian men and women in all the churches. In fact Oneonta (but better known as Otsego District) I find to be historic ground, where great men have been produced. Many strong men whose names have become widely known, and are sacred and dear to the Methodist Episcopal Church, have had their birth and commenced to preach the gospel within her bounds. And I am happy to say that all the great and good men and women of that region have neither moved outside the district nor as yet crossed the river to the spirit land.

The district has 26 pastoral charges with a membership, including probationers, of over 5000. It has 50 churches and 26 parsonages, with a total valuation of a little less than \$210,000.00.

The past year has been a very trying one because of the unusual amount of sick-

ness. There is no charge on the district but has suffered severely from the epidemic which has swept through the land.

Multitudes have been seriously ill, and there are places on the district where at one time there were scarcely enough well persons to properly care for the sick and dying, and to bury the dead.

An unusually large number of the pastors have suffered more or less seriously, and three or four of them have been prostrated for months at a time. This has sadly interfered with every department of Church work. It has prevented, in many instances, holding Revival meetings, and caused the closing of some which had been commenced. And it has seriously crippled us in the work of providing for the finances and the benevolences of the Church.

While the reports concerning the collections will compare favorably with any previous year, in fact will show a large advance, yet these would have been largely increased but for the continued illness of so many of the pastors, and such large numbers of our people.

It is however a cause for devout thanksgiving that while so many of the pastors have been ill the lives of all have been spared since the fall of Brother Halstead at the opening of the year. And I am happy to say that all, with two exceptions, are here to report for duty another year.

Brother R. C. Gill, who was serving the East Worcester charge, had a stroke of paralysis about the first of September and has been disabled since. He is compelled to ask for a change in his relation at this Conference.

Brother A. W. Loomis, pastor at Cooperstown Junction, has labored for several months under physical embarrassment and will also be obliged to retire from active work.

It has been said that "death loves a shining mark." Whether this be true or false, the fair, the useful and the most promising often fall. But seldom would he seem to be a more unwelcome visitor than when he invaded the parsonage at Osborne Hollow, last September, and took for his victim the young mother and lovely and devoted wife of Brother Green. She had been a great, but patient sufferer, and was ready for the call.

We have done considerably this year in the way of paying Church debts and improving Church property.

For some time past our people at Sidney have been embarrassed by a debt which was left when the church was remodeled and the parsonage was built. The indebtedness amounting to \$2048.00 was a heavy burden for the society to carry and it seemed a heavier one for them to lift. Yet early in the year the brethren decided it ought to be paid. The late Horace Greeley said: "The way to resume specie payment is to resume." So they, believing that what ought to be done can be done, and seeing no other way to cancel a debt but to pay it, led on by their heroic pastor the work was quickly accomplished and the last dollar of debt paid.

There is now another question for the Church to solve, and that is how to provide room for their growing congregation.

The Church at North Sanford has paid a debt of \$318.00 upon the parsonage and made some improvement to the church. And the Society at Russell Hill, on the same charge, has bought a new organ.

Windsor has paid a small debt and made needed repairs upon the parsonage.

Our church at Afton has been beautified with paint and paper, at a cost of \$275.00.

A new organ has been placed in the church at Toddsville, on the Fly Creek charge, and the audience room been improved.

Milford church has been repainted, repapered and carpeted and a tin roof put on at a cost of \$600.00.

The society at Worcester has made needed improvements on the parsonage, and placed a new organ in the church, at a cost of \$550.00.

The interior of the church at Middlefield has been beautified, and a new slate roof put on. The audience room of the Roseboom Church has also been improved. These repairs cost about \$460.00, and steps have been taken looking towards the thorough remodeling of the old or the building of a new parsonage.

It is remarkable what a change has been wrought in the appearance of the Unadilla Centre Church, at an outlay of only \$300.00.

Our people at Decatur last year made quite extensive improvement on their

church, but it seems they were not through. This year they have painted the parsonage and papered and painted the audience room of the church, at a cost of \$300.00.

Improvements have been made on church and parsonage property at Laurens, Masonville, Sidney, Union Valley, Cooperstown, Harpersville, Hartwick, Sidney Center, Westford, Schenevus.

A marvelous transformation has taken place in our church at McClure. Those who remember the old building would scarcely recognize it in the tasty church, with its new spire, enlarged audience room, new seats, carpet and furniture and its frescoed walls, which now occupies the foundation built for the old structure.

The Sanford church on the same charge has been extensively repaired, and been greatly improved.

Much praise is due the energetic pastor for the accomplishment of this really remarkable work, and for the raising of the \$1200.00, the entire amount of the cost of the improvements.

Our church at Otego is not only looking up, but pointing up with a new spire, and has actually been lifted up and a splendid basement, with all the rooms needed for practical work, has been finished and furnished. A new tower has been built, the audience room enlarged and greatly beautified, at a cost of little less than \$4000.00. These improvements make it one of the neatest churches on the line of the Delaware & Hudson R. R., between Binghamton and Albany. Provision has not only been made for the entire cost, but all but a few hundred dollars have actually been paid. The earnest pastor has accomplished a grand work here for which he is deserving of great praise.

The brethren at Oneonta, anxious for the comfort and convenience of the pastor and his family, have enlarged and painted the parsonage and fitted up a pleasant and convenient bath room.

They have also erected a beautiful house on a lot belonging to and adjoining the church, which is now occupied by my family, and which is to be kept as a district parsonage, to be rented to the occupant for a reasonable consideration.

The house is a model for convenience, comfort and beauty. In fact it is a little gem. Much credit is due the stirring pastor and the capable board of trustees of this enterprising Church, for this very desirable home for the presiding elder of Oneonta District.

And in this connection it seems proper to say of the official board of this Church, that in all their work they aim to study not simply the interests of Oneonta Church, but the entire district and general Church as well.

The board is composed of as loyal, enterprising and liberal men as you will find anywhere in the conference.

I am happy to say that all the debts incurred by the improvements made on church and parsonage property, amounting to \$14,000.00, have either been paid or entirely provided for, except the new house built by the church at Oneonta on their vacant lot. They are still owing \$2000.00 upon it, and this sum will appear in the minutes as an indebtedness on the church. While they can pay this amount whenever they shall think it advisable to do so, the investment is in such a shape, that for the present at least they prefer to let it remain.

We have made honest efforts looking towards a *healthy* increase in all the collections, ordered by our Church, and notwithstanding the obstacles in the way, the reports will show that we have not toiled in vain. As far as I have data from which to report there will be an increase for missions of sixteen per cent., for superannuates eleven per cent., and for all the collections combined there will be an increase of about 20 per cent.

Some of these collections will seem small, and yet often when they are the smallest they represent earnest and faithful labor on the part of the pastor.

Revival meetings have been held at many points on the district, and while the results are not what we had hoped, nor what they would have been had they not been interfered with because of so much sickness, yet we praise the Lord for the quickening of believers, the strengthening of the Church, and on many charges the happy conversion of souls to Christ.

The work has seemed to be genuine, the convictions have been deep, and the conversions clear. The meetings where the largest numbers professed conversion were

held at Bainbridge, Sidney, Milford, Sidney Centre, Oneonta Plains, Osborne Hollow.

What seems to me to be most greatly needed is a mighty baptism of power on preachers and people, and a glorious revival on every charge.

The pastors report about 450 conversions, and I am pleased to know that they are caring for the lambs by getting them in the Church; and that they do not report as having been converted every person who happened to raise his hand for prayers. About the same number have been received on probation as are stated to have professed religion.

A most excellent camp meeting was held at Sidney grove last summer in connection with the Chenango District. A sweet spirit pervaded the entire meeting. The greatest harmony prevailed. The Church was quickened and souls were saved. The meeting has awakened a greater camp meeting spirit all over the District.

We have held three very interesting preachers' meetings during the year. The exercises were of a literary character. Mutual criticisms and suggestions gave profit to these gatherings.

A District Missionary Convention was held at Oneonta Jan. 4th. It was not largely attended by the pastors, many of whom were detained by illness. But the meeting was a success. Able papers were read and addresses made by that marvelously enthusiastic man, Chaplain McCabe, and by Dr. Hard and others.

We have 54 Sunday Schools on the District, manned by 710 officers and teachers, with a total membership of 5551. The reports from the pastors and superintendents show that the state of these schools is good, and some of them I find are very ably conducted and are doing a grand work for the Church. With few exceptions they are all organized into missionary societies.

Our young people are not neglected. We have upon our District 27 chapters of Epworth Leagues, and still more to follow, with a membership at the present time of about 1100 consecrated young people. Of some of these chapters it is difficult to find language to express my admiration. In most of them excellent work is being done. They have already demonstrated their efficiency, and have become a strong arm of the Church. They are not only doing a grand work among the young people, but they are also assisting the Church in many ways in building up the kingdom of our Lord Jesus Christ.

Two Epworth League conventions have been held, one at Bainbridge last June, the other at Cooperstown in November. We had the pleasure of having our Conference president with us at the first, who gave a most excellent address. These conventions were well attended, and great interest was manifested.

The canvass for our Church periodicals came at the time the epidemic was getting in its strongest work, and yet we can report a larger number of *Advocates* taken this year than any previous year.

The salaries of some of our preachers are not yet what they ought to be. On several charges an advance has been made this year, and with the promise that they will still be increased the coming year. I think on most of the charges the pastors have received the full amount of their claim, and on many the claim has been supplemented with a fair donation.

Before concluding I will say that I have profound reason for gratitude, first, to my Heavenly Father for the excellent health I have enjoyed, and which has enabled me to meet all my regular appointments and to attend upon numerous extra calls and to assist the pastors largely in revival meetings; and second, to the ministry and the people for the very warm reception they have accorded me throughout the entire District. My relations with the pastors and the official members, as well as with the entire membership, has been exceedingly pleasant. The love feasts and sacramental services have been seasons of great refreshing, and I wonderfully enjoyed the preaching of God's word.

And now, Mr. President, this is our report for the year which has passed. We wish it were better. We are here to receive at your hands the work to which you may assign us for another year. If you shall see fit to appoint us to the same field, we shall cheerfully go forth to duty.

It was during the second year upon this District that Dr. Olin was translated, and at the commencement of the second year of Bro. Halsted's work that he was sainted. It may be our lot to fall next, but if so it will be with the armor on. But if our

life shall be spared it shall be to toil more earnestly and if possible to help lift One-onta District to a higher plane of consecrated labor, and to achieve grander victories for the Church in the name of our Divine Master.

**Two Delegates Elected.**—The tellers returned and the Bishop announced the result of the third ballot, as follows :

G. M. Colville recived 111, and was declared elected.

**Second Ballot.**—A second ballot was taken and the tellers retired.

**20th Question.**—The 20th Question was resumed. Chenango District was called, the character of H. M. Crydenwise, its Presiding Elder, was passed, and he read his report, as follows:

#### CHENANGO DISTRICT.

The Conference year now closed has been specially marked by the blessing of God upon the workers and the work. In the work assigned me I have travelled, largely by private conveyance, five thousand seven hundred miles, preached two hundred and fifty-four times, attended every Quarterly Conference and all but six of the Quarterly Meetings.

Through the good judgment and wise administration of Brother Leacock, my predecessor, I found the District well manned by a body of live, earnest young men, and with an unusually happy adaptation of men to the several charges.

Brother C. H. Newing has had a good year at Castle Creek. Hyde Street, one of the out points, has been blessed with a most gracious revival. Minor collections and missions have been increased one third, and measures are being taken looking to extensive repairs or a rebuilding of the parsonage.

From its organization Chenango Forks has had no parsonage. About a year ago a lot upon which was an old house was purchased. This has been paid for, the old house enlarged and made substantially new, a fine new barn has been erected, the cost of all largely paid, and Chenango Forks now has a nice, convenient parsonage

property. All agree that this truly heroic achievement is due to the untiring effort and sacrifice of Brother L. Jennison, the pastor, and his noble wife.

At our last Conference Rev. Charles Smith came to us from the Baptist Church and was stationed at Chocanut Centre. We believe it is not extravagant to say, that under his pastorate this has been the greatest year in the history of that charge. Minor collections have increased more than three fold, and Missions more than doubled. For months the charge has been in a flame of revival, and about one hundred and fifty souls have been converted to God. If our Baptist brethren can spare any more such as he we shall gladly welcome them.

Brother A. E. Thurston has just closed his fourth year at Coventry. During his long pastorate the interests of the charge have been well sustained, the church renovated, made beautiful and inviting, and an endowment of between three and four thousand dollars secured.

Thomas Eva, who came to us a year ago from the Primitive Methodist Church, has had a year of prosperity at Edmeston. A gracious revival at Burlington Flats has almost entirely changed the character of that point, giving great promise for Methodism there in the years to come. Both the minor collections and missions have been nearly doubled.

Exeter and Schuyler's Lake have been supplied by N. A. Tisdale, a man "full of Faith and of the Holy Ghost." During the entire year, the charge has been in a state of revival, with the conversion of souls in the regular services. About fifty have been converted to God, and some of them become the best workers in the Church.

Garattsville has suffered greatly by death and removals. But under the wise, faithful pastorate of M. D. Mattoon the benevolences and all other interests have advanced. Considering all the circumstances his success is truly marvelous.

In one year S. H. Wood has won an enviable place in the hearts of the people at Gilbertsville. The minor collections are increased and missions advanced fifty per cent. Union revival services are now being held with great promise.

All who know the past will greatly rejoice in the good and noble work which during this year has been accomplished at Greene. The old dilapidated church, a disgrace both to Methodism and the town, has disappeared, and a model new church, costing about \$4000, nearly ready for dedication, now stands in its place. The good people of Greene, both inside and outside of the Church, have manifested a kindly interest and liberally aided in the work. H. G. Blair, the pastor, has managed and led forward the enterprise with great prudence and skill.

W. Frisby's third year at Guilford has been the greatest and best. All benevolences advanced, missions increased sixty per cent, or from \$90 to \$141. And a glorious revival, which has resulted in the resurrection of Guilford Centre and brought about fifty souls to Christ. This is a year's work which should make the heart of any pastor to rejoice.

The pastorate of M. S. Godshall at Lisle has been characterized by most serious trials and discouragements, but has also been one of triumph. Some questions involving the present and future well-being of Methodism have been settled. Benevolences have been advanced—missions nearly 100 per cent, this is \$1 per member—souls converted, and two flourishing Chapters of the Epworth League organized.

At Marathon the church has been thoroughly renovated and refurnished; lecture room and class rooms enlarged and improved; church sheds repaired, and a very fine parsonage barn erected. These valuable improvements have been largely paid for, and the benevolences show a large increase. Beside this a vocation has just been ordered for the church, which is to cost \$850. E. R. D. Briggs has successfully led his people in these important improvements.

Ira C. Estes has done good work on old McDonough charge. Missions advanced from \$34 to \$65. All interests of the charge are well sustained. It is not surprising that every point of the charge strongly petitions for his return.

This has been a great, even marvelous year at Morris. At the first quarterly meeting twenty came to the altar. Conversions have occurred during the entire year. F. J. Jones, the pastor, reports one hundred and fifty conversions. We need scarcely say minor collections have increased nearly four fold, and missions have nearly doubled. True revivals always mean increased benevolences.

Old Mt. Upton, always noble and earnestly Methodist, has done yet more

grandly this year under the pastorate of C. H. Sackett. Parsonage property improved, minor collections about doubled, missions advanced from \$171 to \$210, and souls converted. Thank God for such pastors and such a people.

With poor health and under circumstances of great discouragement, G. H. Prentice has done good work at New Berlin, and fully won the hearts of the people. Here too there has been a good revival and large increase in the benevolent collections. Missions have advanced fifty per cent.

George Pope, North Fenton, has commended himself to the favor of his people as an able preacher and an earnest pastor. He reports the conversion of about twenty souls.

At North Norwich seven from the small membership have died. For weeks almost the entire community were sick. About two months the pastor, L. C. Hayes, was shut in by sickness. But with all this the pastor's salary has been increased about \$100; \$100 expended in improving the church, and benevolences advanced.

E. B. Olmstead, always efficient and successful, was never more so than in this his second year at Norwich. \$200 have been expended in church renovation. All current expenses met and money in the treasury. Benevolences increased over any year in the history of the charge. Missions going up from \$187 to \$254. \$239 raised by the W. M. Societies; a gift of \$75 to the Brooklyn Hospital; a good increase in the circulation of our Church papers; well sustained congregations, and a very large flourishing chapter of the Epworth League; all these give evidence of Brother Olmstead's ability and fidelity as a pastor.

By the death of Brother Halsted, and the appointment of A. J. VanCleft as Presiding Elder of Oneonta district, Oxford, at the very opening of the year, was left without a pastor. It was our rare good fortune to secure Rev. W. G. Simpson, of the Columbia River Conference, as pastor of the charge. Brother Simpson was subsequently transferred to and is now a member of our Conference. It is no idle flattery to say that our brethren at Oxford, and our entire Conference, are to be congratulated on the securing of such a man. The parsonage has been made substantially new and very inviting at an expense of \$1,000. Missions advanced from \$109 to \$153, and increased efficiency and spirituality infused into every department of the charge. If Brother Simpson shall be returned to them the brethren propose to make the salary \$1,000 for the coming year.

Plymouth, under the faithful labors of W. M. Shaw, has had a good year. He has so commended himself to the confidence and esteem of the people that they unanimously ask his return.

This has been an exceedingly trying year for our beloved Brother, E. H. Truesdell, at Preston. For about three months he was laid aside by severe illness, but in answer to prayer, and by the blessing of God, he has been fully restored to health, and is now faithfully caring for the interests of the charge.

Sherburne, J. C. Hogan, pastor, has made a good and commendable record. Pastor's salary increased \$50, and fully paid. Missions advanced from \$80 to \$107, and some souls converted to God. This charge with some others has suffered greatly from deaths and removals, but the spirit and enterprise of the Church give great promise for the future.

G. F. Ace, Smyrna, has faithfully lead forward his devoted people to worthy achievement in all departments of Church work. Social meetings are well attended and spiritual, souls converted, minor collections about doubled and missions advanced. With the contributions of the two W. M. Societies the charge gives \$1.00 per member for missions.

South New Berlin, for a number of years wellnigh extinct, has had a marvelous uplift under the two years' pastorate of G. B. Wilder. The revival spirit with conversions of souls has prevailed during the entire year. Minor collections increased thirty per cent; missions more than doubled; pastor's salary increased more than \$100, and the condition of all departments of the Church point to a future of great promise. If Brother Wilder has been able to accomplish these things single handed, what may we not expect now that the one has become two.

Triangle, more than almost any other charge, has suffered by death and a constant exodus of the people. This, with other circumstances, has rendered the two years' pastorate of A. Scofield one of peculiar trial, but the years have not been without substantial improvement. Repairs have been made both in connection with the

church and parsonage; a new organ purchased; general benevolences increased, and that for missions more than doubled.

This has been a great year for Whitney's Point. About forty have been converted to God. The membership of the Church substantially increased. Missions last year \$50, this year \$110. The Church is live, spiritual, progressive. The pastor's salary is all pledged for next year at an advance of \$100. With the continued blessing of God, and served by such men as E. H. Dupuy, this promises to be one of the first-class charges in the near future.

Rev. D. W. Swetland has just closed his fourth year at Willet, with every interest of the Church in a most healthful condition, and with the perfect confidence and earnest love of his people. For years this charge has not been in as flourishing condition as now. With rare judgment and uncompromising fidelity Brother Swetland has permanently settled some vexing questions, and after serving four years the people are clamorous for his return.

Briefly summarizing—repairs and improvements upon Church property have been made at an expenditure of \$6869, and in each case largely or wholly provided for.

There has been a very good increase in the number of subscriptions for our excellent Church papers. The minor collections have been increased about forty per cent. and the collections for missions from \$1428. to \$2000. This places Chenango District \$100 above the \$1,250,000 line. As may be seen, the spiritual and revival work have not been neglected. Indeed this has everywhere been urged and made prominent. There are reported to me, by the pastors, the conversion of 635 souls, and 414 as received on probation. With many removals, with careful pruning of Church records, and a death roll of more than one hundred, there is an increase of more than fifty to the Church membership.

There are now on the District twenty-two Chapters of the Epworth League, an increase of six Chapters, with a present membership of 834. Special attention has been given to the insuring of the Church property, and now most of our churches and parsonages are protected by insurance. With a three fold increase in expenditure for church improvement, and so great an increase in general benevolences, it is most gratifying to find that there is also quite an aggregate increase in the pastors' salaries, showing that the pastors who most faithfully care for the building up of the Church and for the Church benevolences, most surely secure the increase and payment of their own salaries.

A most excellent camp meeting was held at Sidney Grove in conjunction with the Oneonta District. It was truly an old time camp meeting, one of spiritual refreshing and great power. With such spirit and such services the camp meetings will be well sustained and continue to have an important place among us.

A District Epworth League Convention was held at Marathon, and a great Missionary Convention at Norwich; in the former we were greatly assisted by Brothers J. O. Woodruff and A. Griffin, and in the latter by Chaplain McCabe, Dr. L. M. Vernon and our Brothers Hard and Colville.

In concluding my report I desire to record my gratitude to God for continued health and for his blessing on our work.

I desire also to express my hearty thanks to my brethren in the ministry for their earnest, even enthusiastic co-operation and support. It is a privilege to be associated in work with such men. Every suggestion or request has been carried out with most commendable faithfulness and zeal.

I am also under a great debt of obligation to the laity who have so nobly supported me and the pastors in the work of Christ.

May God continue to bless the workers and the work.

**Owego District.**—Owego District was called, the character of Wilson Treible, its Presiding Elder, was passed, and he read his report, as follows:

#### OWEGO DISTRICT.

The march of time has brought us to the close of another ecclesiastical year. A review of its work gives rise to many and varied emotions. Tears of joy and sorrow have mingled with our toil. Sickness and death have been very prevalent during the fall and winter. A large number of those whose counsels and testimonies we prized in our churches have been transferred to the Church triumphant before the throne of God.

A severe attack of fever in the latter part of August so fully prostrated me that I was unable for a few weeks to pursue my work. But by the blessing of God, in answer to the prayers of many friends, my health is fully recovered. I desire to acknowledge the great kindness and consideration of my brethren in the ministry in caring for me and my work. It was to me as precious ointment poured forth.

Brother P. M. Mott for several weeks was unable to fill his pulpit because of sickness. But his health is so far recovered that he is able to take up his work again.

The wife of Brother J. D. Bloodgood passed through a very severe illness. Though for a time there was little hope of her recovery, we are glad to report that she has nearly recovered her health.

The angel of death has visited three of our pastor's homes.

The family of Brother I. B. Wilson was smitten with sorrow by the death of sister Wilson. She was taken ill very soon after our last Conference, and after ten weeks of patient suffering she passed to her home in Heaven.

Our brother and sister Jay have been sorely bereaved in the death of their only child May. She was an accomplished young woman and of a beautiful christian character. Her loss was mourned by a large circle of friends.

Brother Frank A. Chapman followed recently a beloved and devoted mother to her last resting place, where she awaits the resurrection of the just. We miss to-day the manly form and cordial greeting of our beloved father Grimes. He has gone to join the loved and blessed in Heaven. Thus friend after friend departs.

The pastors, except those named, have been able to pursue their work with but little interruption.

The district has continued the good work of building and improving Church property. The year will be specially marked as an era of parsonage building. Two new parsonages and one old one rebuilt gives the district practically three new parsonages with two others well under way.

Newark Valley, in the beginning of the year, pushed the rebuilding of their parsonage, under the wise leadership of their pastor, F. A. Chapman. The result is an enlarged and modernized house, convenient in all its appointments. The cost was \$1150, all of which has been provided for and nearly all paid in. Also \$90 expended by the Ladies' Aid Society on old indebtedness.

Our people at Flemingville, under the inspiration of their pastor, N. W. Barnes, sold the old parsonage property, secured a good lot, built a new barn and a good and convenient parsonage. The total cost was \$1576, of which \$425 was provided for by the sale of the old property, the balance of \$1151 was raised on good subscription, all of which has been paid but \$50.

The desirability of the Athens charge has been greatly enhanced by the building of a beautiful parsonage. It is well equipped with furnace, bath-room, and all the conveniences to make a pastor's family happy. The cost, exclusive of the lot, was \$2500, a portion of which has been subscribed and paid.

The Waverly Church has made an excellent record under the wise and efficient leadership of W. L. Thorpe. A debt of nearly \$1000, which had hung over the Church for years, was cancelled. Scarcely had this work been completed when a

patch of plaster came down one Sunday evening at the close of the sermon. The trustees at once took steps to ceil the room with Georgia pine. The walls and seats were renovated and brightened by paint and varnish, greatly improving the appearance of the audience room. The cost, about \$300, has been fully paid.

Two other charges are taking steps looking toward the building of new parsonages. Brother D. D. King reports nearly \$1000 in subscription toward a new parsonage at Slaterville.

Little Meadows has purchased a good lot adjacent to the church, and the pastor, H. N. Vandusen, has \$675 on subscription. The work on the parsonage will begin as soon as spring opens. It is very important that other charges should arise and build.

Other improvements have been made and debts have been paid as follows: East Herrick on the Camptown charge, \$150. Parsonage and church at Camptown, \$200; also \$700 on subscription for a chapel at Herrickville, which will soon be erected. At Candor a very fine bell was hung in the tower at a cost of \$190. West Danby charge expended on improvements \$252. The Forktown church on the Mehoopany charge was repaired and improved at an expense of \$585. River Valley church, on the Nicholas charge, was repaired and renovated at a cost of \$350. South Danby, on parsonage repairs and painting church, \$180; Berkshire, \$200; Spencer, \$135; Apalachin, \$135; Wyalusing, \$100; Tioga, \$100; West Danby, \$102; Speedsville, \$150; Harford, \$175; Owego, \$52; Rome, \$50; Skinner's Eddy, \$64; other charges, \$64. Sayre has paid on church subscription during the year \$1800. The Athens church has been improved and beautified by a new ceiling of Georgia pine; also new heaters have been put in, costing, in all, \$520, which has been fully met.

The district has paid, this year, on old indebtedness, building and improving church property and for furniture, about \$9000.

The Epworth League work under the direction of Rev. W. L. Thorpe, the district president, is in a prosperous condition. The annual convention was held at Wyalusing and was full of interest. The district was divided into four sub-districts, and vice-presidents were appointed to supervise the work. At Apalachin and Skinner's Eddy two very successful sub-district conventions were held. This plan brings several adjacent charges together, and is to be commended because of its feasibility. Several flourishing Epworth League Chapters have been added during the year and one Christian Endeavor Society has become an Epworth League.

Our benevolent causes, I believe, with possibly a few exceptions, have been faithfully presented. In our Second and Third District Ministerial Associations these causes were carefully considered and their claims pressed. The closing meeting of the last session addressed by Dr. G. M. Colville was full of interest and inspiration. Nearly all the charges report an advance over last year. Newark Valley, one of the three or four charges that report less, had a special gift of \$60 from Mrs. E. Davidge. Notwithstanding, the pastor reports only \$15 less than last year, making a real gain of \$35. The other collections will be nearly \$100 in advance of last year. We are glad to note a more thorough and systematic presentation of these claims on the part of the pastors to our people. Subscription cards are being quite generally used with good results.

The Sunday School work received careful consideration at the hands of pastors and superintendents. In this department some of the best and most self-sacrificing work is done for the glory of God and the rising generation. Every charge has one or more Sunday Schools, using our own lesson helps, with but few exceptions.

The spirit of revival in which Methodism was born, and in which it has flourished to this day, still abides in our churches. The pastors believe in revivals, pray, plan and work for them. And we are glad to report their labor is not in vain in the Lord. Although greatly hindered in special revival work because of the prevalent epidemic, meetings were held on nearly every charge with gracious results.

Sayre began a work in the fall resulting in 120 conversions; Barton, 20; Skinner's Eddy, 46; Wyalusing and LeRaysville, each, 32; Windham, 27; Danby, 25, and other charges less. There is an average of about 16 conversions to each charge, nearly all of whom have been enrolled as probationers in the Church.

The work on two of our charges was hindered at the beginning of the year by the failure of two men to go to the places to which they were appointed. After some weeks of correspondence Seward A. Terry, a student of Drew Seminary, was secured

for Tioga. W. F. Boice, an acceptable supply, has served the Rome charge during the year.

The canvass of our Church papers has been made by the pastors and the reports show but little change from last year. It is to be hoped that some one of these papers will yet be found in every Methodist home.

I would not close this report without expressing my warm appreciation of the uniform kindness of the brethren in the ministry and laity and their hearty co-operation in the work of the district.

For the blessings of peace, prosperity and a great salvation, we give thanks to the God and Father of us all.

**Time Extended.**—On motion of J. R. Boyle, the time was extended.

**Effective Elders Called.**—The following Effective Elders from the Owego District were called, their characters were passed, and their reports were given: G. A. Place, A. F. Brown, I. J. Smith, J. B. Davis, W. W. Smith, S. B. Keeney, S. D. Galpin, P. M. Mott, R. M. Pascoe, H. N. Van Deusen, J. D. Bloodgood, A. J. Cook, J. B. Santee (relation previously changed to superannuated), F. A. Chapman, T. R. Warnock, B. B. Carruth, Cornelius Sweet, P. R. Hawxhurst, Stephen Jay, G. O. Beers, D. D. King, Ziba Evans, A. G. Bloomfield (previously granted a supernumerary relation), I. B. Wilson, W. L. Thorpe, L. P. Howard, Alexander D. Decker.

**M. R. Kerr.**—The character of M. R. Kerr was passed, and on motion of Wilson Treible, his Presiding Elder, the Bishop was requested to leave him without appointment to attend one of our schools.

**George J. Jeffreys Withdraws.**—On motion of Wilson Treible, Geo. J. Jeffreys was permitted to withdraw from the Conference, and the Secretary was directed to return his credentials.

**Dr. Raymond.**—Dr. B. P. Raymond, President of Wesleyan University, was introduced, and addressed the Conference in the interest of that institution.

**Time of Meeting.**—It was carried, on motion of W. L. Thorpe, that when we adjourn it be to meet at 2.15 P. M.

**To Preside at Afternoon Session.**—The Bishop appointed J. Richards Boyle to preside at the afternoon session.

**20th Question Resumed.**—The 20th Question was resumed. Wyoming District was called, the character of Manley S. Hard, its Presiding Elder, was passed, and he read his report, as follows:

## WYOMING DISTRICT.

By the power which our Church allows to inhere in a Bishop, I was assigned, twelve months since, to superintend "the financial and spiritual interests" of Wyoming District. He who assigned to me my place was under no obligation to consult my will or wish; nor did he. Nor was this the first time that I had gone to unpromised, and unannounced work. But the cordial words and ways from pastor and parish, have filled the days with uninterrupted kindness.

Although born in the home of an itinerant Methodist Preacher, and seeing in my mother a close model for a pastor's wife, yet with more maturity for observation, I have never seen my ideal so nearly approached, as in the pastors and their good wives, with whom I have been associated on this district. Patient, watchful, devout, self-forgetting, liberal, they have given themselves to their mission, and needed nothing more or better to give.

The salaries on the district in some cases are very creditable, in others, only fair; but most of them will be paid.

I record with great gratitude to God, my thankfulness, for such perfect health, that I have not missed any engagement, during the year. Some Presiding Elders can report to you the distance gone, and money paid, I cannot. Perhaps I should have more method. I do not know how many miles I have traveled, nor what it has cost me; but my continued absence makes my family suggest a renewal of acquaintance, and, by the law of travel, I have been forced to pay as I have gone.

My predecessor was so pushing and persistent, that he asserted himself in every part of the district; and his work will not soon be forgotten.

A week of meetings was held in August on our Camp-Ground, in which special days were given to Temperance, Missions, Education, &c. All allow, that it was a great success, and assures a better Assembly for the coming year. The camp meeting followed; and after the first day, not a service passed, but that souls sought and found the Lord. It was a week of glorious, spiritual uplift, and the memory of it makes our souls mellow and grateful.

The improvements upon church property, have been quite considerable. Many parsonages have been made into delightful homes. At Nanticoke, the building was raised; new cellar, sewer, bath-room, &c., were constructed. At Tunkhannock, Taylorville, West Pittston, Simpson, Asbury, Scranton, Waverly, Kingston, Luzerne, &c., so much has been done to the homes of the pastors, with paint, paper, new walks, slating, fences, furniture, carpets, city water and the like, that they are homes of great comfort.

The old parsonage at Dallas was sold, and a new and beautiful one, of the Queen Anne order, was located and built near the church. These parsonage improvements alone, during the year, have cost nearly \$6,000.

In church building and improving we have been busy. The Adams Ave. Society, at Scranton, sold their old church and parsonage, and are building a stone church and parsonage on Elm Park, which, for Methodist usages; for imposing strength and grandeur; for unity in their beauty, will not be easy to surpass. Dr. Pearce, the many-sided pastor, is giving his ripe experience and good taste, to make the whole enterprise a grand success.

Park Place, Scranton, has a new brick church ready for dedication. It was an absolute necessity; and would have cost any average pastor many thousand more than it has Brother Jones, who bought and begged; watched and worked; prayed and pushed, until he has incarnated his ambition.

Hampton St. Church, also in Scranton, has built a new structure; making the old one an annex. It is inviting, convenient, attractive; and cost over \$6,000—all of which is provided for. The people thought so well of the work of Brother Benedict, their pastor, that they put a marble tablet in the church, to mark their estimate of him, who was the inspiration for its construction.

At Ashley, over \$6,000 has been expended upon the church edifice; putting on an imposing front, and making the audience and Sunday School rooms, modern, and every part of the church, appropriate and beautiful. The fine taste and methodical ways of the pastor, Wm. M. Hiller, is seen in every step of this good enterprise. All the expense is met, in valid subscriptions.

The contract has been let for a new church at Taylorville. The foundation is

ready for the sills, and, every thing thus far, is paid for. Brother Faulkner, the pastor, has wrought well, to bring on the charge, thus far, in this enterprise.

At Throop we have bought a chapel for \$600, worth from \$1200 to \$1500. It was owned by a private gentleman, who built it for the good of his workmen, but who saw later, that to succeed it must be manned and run by some denomination.

A chapel costing about \$1500 has been built at Clark Summit. It was a necessity, to accommodate the large assemblage of railroad men at that place. It was projected, and pushed to success by the pastor, J. B. Sweet; and its cost was enthusiastically provided for.

At Rhendum, the four daughters of the late John Stewart have united in building a beautiful church, in memory of their parents. It was a sight, that made all hearts tender, to see these daughters put in place the corner stone for the edifice that was to be a memorial for the dead, and a free gift for the living. The church is nearly completed; and will be ready for dedication in a month; and will be made over, without cost, to the care and direction of the Methodist Episcopal Church. It surely is the least that we can do, to thank these worthy ladies, for their noble gift; which I now do, by these plain words, in the name of the Church.

Last year four new charges were formed. That which had been a mission in North Wilkes-Barre was dignified as the Fourth Church. Brother Boone has carefully guarded and fostered the beginnings, and has assembled 75 members. The Sunday School is large and prosperous. The Mother Church, where we stand to-day, led in its generous ways by its pastor, Dr. Boyle, has been very kind to its child, and has encouraged and aided and stimulated it, in its effort to walk. Mrs. Harry Derr and her family have proposed a memorial, to husband and father, which shall be lasting. So they have given to the Fourth Church, land upon which to build a new church and parsonage, and \$5,000 toward the church, which is to cost \$10,000. The proposition was promptly accepted; plans have been adopted; bids are being made, and the work will soon commence. This will be a lasting memorial to Harry Derr, who was always an inspiration to the benevolence and work of this noble Church.

Cedar Avenue Mission was taken from the Adams Avenue Church in Scranton, last year, and made a distinct charge. Over 100 members went from the parent Church with the new organization. Under the wise leadership of Brother Nicholson, it has pushed and grown, until they are already crying for larger quarters. They have been entirely self-supporting.

Rhendum was taken from Taylorville a year since. Then a school-house appointment with but a handful of members; now they boast over 80, including probationers. A revival spirit has been present all the year. Bro. J. K. Peck has preached to them once on each Sabbath, and kindly and and wisely advised in all the growth.

Trucksville charge was made from three points taken from Lehman, Dallas and Luzerne. We believe there is a good future for it. Brother Rawlings has manifested a beautiful spirit and life, as he has supplied the charge during the year.

No temporal gain will we record with more gratitude, than that the note of \$1500 at Parsons, has been paid. It was \$600, 15 years ago. The man who owned it went away; none knew where he was; efforts to find him failed; all supposed him dead. But he came back, and took the color out of the faces of all, as he demanded payment upon a valid note, which had increased to \$1559.00. But that noble Presbyterian Elder, Calvin Parsons, paid one-half of the large amount, and thus inspiration was given to raise the balance. The pastor, brother Harned, lacks but \$36.00 of the entire amount. One more week would have brought him success.

Many troublesome debts have been paid this year. Brother Netherton at Forty Fort inspired his congregation to pay the \$500 yet due on their church; and a few days ago they burned the mortgage.

Brother P. J. Kain, the employed pastor, did the same kind of work for a \$1100 debt at Pittston. At Wanamie, Parrish St., Wilkes-Barre, Avoca, Maple Grove, Simpson Church, Scranton, &c., annoying debts have been reduced, or entirely paid.

It is but just to say that the heroism of Simpson Church is marvelous. Again and again have they been burned out, and as often have they come up with courage and with cash.

At West Nanticoke several hundred dollars has been spent in making the church desirable and inviting.

One benedict among our pastors has stepped out of those thinning ranks. Bro. J. W. Price found a good lady, who had kindness toward him, and good sense for herself, and they were married at the District Parsonage in the middle of the year. Rumor has it that others will follow his example at no distant date.

Revival fires have burned throughout the District, not alone in winter, but every month of this hurrying year has witnessed among us scriptural penitence and pardon. As the result the pastors have gathered on probation women and men enough to make one regiment and companies in another, as men measure armies.

Believing that soul-winning is to be the pith of our purpose, the inspiration of our mission, the motive about which every other Church service should center, we record our thankfulness that pastors on this District have put into practical force revival methods. They have labored alone; helped each other; now and then had evangelists; held home or village camp meetings; stopped awhile, began again; kept near to God; made available their laymen; refrained from doubtful methods; organized the young forces, and prayerfully and believingly pushed for results. Nor have they been disappointed. The hundreds that will be in heaven, as the result of the labors in this year, by the pastors on this District, will be ample compensation for the weariness and the work; the nights that were sleepless, and the days that half seemed given to defeat.

Too few of our Church papers are taken on the District. Not less than in other years; but too few for any year. The subscribers to the *Northern Christian Advocate* are increasing, and it is better liked as it is better known. The *Epworth Herald* has a fine circulation among us, and all are charmed with it. The *Christian Advocate* sparkles in our faces every week, and delights us, and to it we give a large patronage.

Without assumption I think we may say we have done our best and our duty as to the benevolences, in seeking to suggest methods, incite better ambition in the people and the pastors, showing the successes and the needs of our connectional interests. We are not enthusiastic about our success; and the results will appear to you, in a few moments, as the pastors report what the people have given.

The Wyoming Conference Seminary is across the street from our home, and so with short range for observation, my admiration has daily increased for the faculty; the character and behavior of the students; the scholarship secured; and the religious influence that is always present. The patient, plodding, conservative, conscientious work of Dr. Sprague, as president of the faculty, cannot well be too highly commended.

But, brothers, tell your men who are holding the Lord's money that Wyoming Seminary must have more buildings; modern ways for work; chance for original investigation and study; place to put those who wish to come, or what it has won it will not long retain. The present state of the Seminary is as follows:

The Epworth Leagues are a power, on this District, and for their success large credit is due Bro. Woodruff, the Conference President.

What a troop have marched to our altars for baptism! In these ranks came men beyond the margin of promised life; and others just struggling into their "teens." With uncovered heads, half a thousand have said this is an "outward sign of an inward grace." Four hundred children have been brought by anxious parents for infant baptism. May God answer the prayer that "all carnal affections might die in them, and all things belonging to the spirit might live and grow in them."

Bro. E. L. Bennett, pastor at Pittston, began the year with great promise; but was taken very ill almost immediately after Conference. The Church waited four months for his recovery; but he finally resigned his charge, and P. J. Kain, an evangelist, has filled out the year with great acceptability and success.

I take pleasure in recording that, any needing the aid of an evangelist may safely and profitably employ Bro. Kain.

Death has called at parsonage doors on our District, twice this year. In the early weeks, little Harry slipped away from the home of Bro. and Sister Bone. He was welcome as he came, and has been sadly missed. How much easier to bury other people's children, than our own.

Only a dozen days of our Conference year remained when death touched us again. Now he came to one who for three decades had answered at our Conference roll call. Patient, gentle, faithful, devout, successful Bro. Stephen Elwell, laid down one night, and none can know when his spirit parted from the flesh; across a heart that was still, folded a pair of colorless hands, and men could only say:

"Out of a wide world dark and cold  
He has passed to a city, whose streets are gold;  
From the silence that falls upon sin and pain  
To the deathless joy of the angels' strain.  
Well is ended, what ill begun,  
Out of the shadow, into the sun."

## Mid-Year Examinations.

---

The Conference directs that the plan of Mid-Year Examinations adopted last year be continued this year with the exception that candidates for Admission on Trial and for Local Deacons' and Elders' Orders be exempt from these Mid-Year Examinations. This plan is essentially as follows :

### MODE OF EXAMINATION IN CONFERENCE STUDIES.

*The Conference Directs :*

- 1st. That great care be used in appointing Examining Committees.
  - 2nd. That the particular work to be done by each committeeman be assigned early in the year.
  - 3rd. That all examinations be conducted in writing.
  - 4th. That a session of two or three days be held during the autumn, at some central place in the Conference, where all the classes shall assemble with the Committees, where they shall conduct the examinations for half the studies for the year. There shall be associated with the gathering sermons from able and prominent men; lecturers; drill in pastoral methods; question hours as to habits, modes of study, financial methods, manner of presenting the benevolences, &c., &c.
  - Thus half the work of the year will be passed upon before the special work of the winter is begun. This can all be secured with slight expense if the gathering shall be entertained by some Church and pastor. The remainder of the course can be conducted at Conference.
  - 5th. That the whole matter of time and place, details of the gathering and examinations, be placed in the hands of the Committees of Examinations, the Bishop being requested to name a Chairman for the whole.
- 

## Report of Examinations

CONDUCTED IN BINGHAMTON, N. Y., OCT. 12-14, 1891.

---

One year ago the Conference directed that examinations in half the year's course of studies should take place in the autumn. A meeting for the purpose was held in the Tabernacle Church, at Binghamton, N. Y., beginning Monday evening, Oct. 12, and closing Wednesday noon, Oct. 14, 1891. At the first session Dr. J. H. Willey, of Syracuse, delivered an address on "Self-Development." On the second evening Dr. J. Richards Boyle preached a sermon founded on 2d Cor. 1: 24. Three half days were occupied in the examinations proper, and at the opening of each a short practical address was delivered. Rev. W. B. Westlake spoke on "Pastoral Work," Rev. Dr. G. A. Place on "Methods of Study," Rev. J. O. Woodruff on "Sermon Making."

Expenses incurred for programs, stationery, postage, and traveling expenses of one speaker amounted to \$14.56.

## Memoirs.

---

REV. THOMAS P. HALSTED.

The Rev. T. B. Halsted was born in Stockbridge, Madison county, N. Y., Sept. 11th, 1830, and died of pneumonia in Afton, Chenango county, April 22d, 1891, aged 60 years. Bro. Halsted was happily converted to God when twenty years of age, under the labors of Charles Robinson, of sainted memory. His conversion was of the most clear and confident nature. Such was the peculiar cast of his mind that nothing less than a deep, thorough, divinely attested transformation would have met his case. He was able to affirm from the hour of his glad change, "I know that I have passed from death unto life." Through all his subsequent years this blessed heart experience held him steady and firm in uncompromising, loyal and loving service to his Lord. Bro. Halsted was of true Methodist blood; his father was a Methodist itinerant, and he was reared in the atmosphere of a Christian home.

His parents were very solicitous as they saw him approaching the years of young manhood and still unconverted. They discovered alarming tendencies of skeptical thought in the son for whom they were constantly praying. At length prayer was answered, their faith gloriously honored, and the son of their love was saved. When he finally submitted himself to Christ these peculiar tendencies of his mind were completely removed, never again to return; so, by the grace of God, he said again and again, "I have not had one doubt of the salvation of my soul since the hour of my conversion."

He was first licensed to exhort in July, 1856, by the Rev. Joseph Shonk—long since in heaven—then pastor of the Hartwick charge, Otsego District. In August, 1857, he was licensed to preach by the same man who the year previously had given him his license as an exhorter, and by him appointed junior preacher on the Hartwick charge under Louis Hartsough. In the ensuing October he was appointed as supply on the Morris charge. From this charge he was recommended for admission into the Oneida Annual Conference. He was ordained Deacon April 27, 1860, by Bishop Baker, and Elder in 1862 by Bishop Ames.

He served the following charges and in the order named: Bainbridge, Plymouth, N. Y., Earlville, East Hamilton, Unadilla, Oxford, Sherburne, Afton, Mount Upton, Worcester, Newark Valley, Taylorville, Athens, Worcester, and Oneonta District. Owing to the painful and protracted illness of his wife, he asked for and was granted one year of rest, and 1887 he was supernumerary.

Bro. Halsted was a strong, clear preacher. His sermons were logical, incisive, convincing presentations of divine truth. He was fearless, faithful and loving in all his work among the people. He knew Methodism and loved it. Painstaking and diligent in all his work as pastor, full of sympathy and kindness, he made friends everywhere, and drew the people toward him so that they felt great confidence in his judgment and perfect freedom in his presence. His charges were uniformly built up and strengthened, while the moral tone of the community was always higher and purer for his presence, example and labor. He hated sin; he loved holiness. Those who knew him best felt that he was a man to be trusted always, and however severe the strain on his heart and life the integrity and fidelity of Thomas P. Halsted would not be infringed.

He was appointed Presiding Elder of Oneonta District to succeed the lamented Dr. W. H. Olin. He proved himself very efficient in this responsible office for one year and six months, when, after a brief illness, God called him to a home in that city whose streets are paved with gold, and whose skies never know the shadow of a cloud. How little we know of the close proximity of Heaven. At the session of

our Conference, one year ago, our dear brother was with us in unusually good spirits and health; received his appointment with as confident expectation of a year of toil and triumph as any member of this body. Wyoming Conference, Oneonta District, needed him. An invalid wife, an affectionate daughter, an aged and lonely itinerant father, and many other friends would have held him to the earthly life. God wanted him above the stars and called him home. An illness of very brief duration, then at the last a quiet restfulness as of a weary child falling asleep on the bosom of its mother, a smile of blessed rapture sweeping over his pale, wan face and abiding there until the coffin lid hid that face from human gaze forever, and Thomas P. Halsted, son, husband, father, brother, friend, passed within the portals of light. Brother, farewell!

#### REV. JOHN M. GRIMES.

Rev. John M. Grimes was born in the town of Candor, Tioga Co., N. Y., Nov. 9, 1812, and died upon the same premises, Oct. 16, 1891. His parents, being members of the Presbyterian church, dedicated him to the Lord by baptism in infancy, and he was early trained to the observance of Christian morals and habits. Sabbath School instruction, added to that of regular family worship, at once protected and moulded the character of his youthful life. His parents were devout and strictly temperate. Their care was to guard and guide their boy in the path of virtue and piety. He embraced religion in early life, and united with the Presbyterian church. Subsequently, from conviction, when about twenty years of age, he united with the Methodist Episcopal Church in Flemmingville. In the year 1837, he received a license to exhort from the Rev. John Griffin, of sainted memory. In 1838 he was happily married to Rachel Taylor, a Presbyterian, a most earnest Christian, and, for years thereafter, a devoted member, and successfully labored with him on the charges to which he was appointed. Brother Grimes, while a local preacher, followed the business of school teaching for some time before giving himself up wholly to ministerial work. For brief periods he assisted in revivals, and served as a supply under other pastors. In 1844 he was admitted on trial into the Oneida Conference, and in 1846 received into full connection. His successive appointments were in 1844, Lisle; '45-6, South Danby; '47-8, Cayuga; '49-50, Speedsville; '51-2, Union; '53-4, Broome; '55-6, Liberty; '57, Chenango Forks; '58, Caroline; '59-60, Conklin; '61-2, Shephard's Creek; '63-4, Tioga; '65-6, Van Ettenville; '67 Sheshequin; '68-9, Vestal; '70, Campville; '71, Harford; '72-87, Supernumerary; '88-91, Superannuated. But while laid aside formally he sought and found opportunities of revival work and effective service. Indeed, he was always ready to give help anywhere in building up churches and saving souls. Whether in special revival efforts, in extra camp meetings of his own, or in building and repairing parsonages and churches, his cheerful heart and active hand were ever ready. Brother and Sister Grimes excelled in persuading sinners to be reconciled to God. They emphasized conversion for sinners, and sanctification for believers. In this they had great success. Always cheerful in going to his appointed field, he expected conversions and was not disappointed. He grieved when the infirmities of age deprived him of engaging in this work. He had multitudes of souls as seals to his ministry, and has now gone to wear his starry crown. His death was peaceful and full of christian hope. His funeral at Flemmingville was attended by a large congregation of those who knew him from his youth up. His remains were buried by those of his wife in the cemetery in rear of the Methodist Church, Oct. 18, 1891.

#### REV. WILLIAM B. KINNEY.

William B. Kinney was born in Caroline, Tompkins Co., N. Y., April 17th, 1828, and died in Binghamton, N. Y., Dec. 20th, 1891.

He spent his childhood and some of the earlier years of his youth on his father's farm. His parents were members of the Methodist Episcopal Church. His father's house was a home for Methodist ministers. In his autobiography he says: "I never knew the time I did not pray. When I was a child seven years of age I

would go in secret and pray and felt happy." Brother Kinney did not make a profession of religion until he was in his fifteenth year. It was during a series of revival meetings held in a school house at Breavly Hill, N. Y., that he was converted. Speaking of his conversion to the writer, he said: "My conviction was pungent, my repentance earnest and sincere, my faith unwavering in the promises of God. I was gloriously and powerfully converted. I immediately joined the Methodist Episcopal Church." This was in Dec. 1842. Soon after his conversion he received a divine call to the work of the ministry; finally the Church saw in him gifts as well as graces, and in January 1853 the Quarterly Conference gave him license to preach. At the Quarterly Conference in May he was recommended to the Annual Conference, for the traveling ministry. On the fifth of August he went to his first appointment, VanEttenville; he was received kindly, preached on the Sabbath. God put his seal on his ministry, for a soul was converted to God. "The week following," he says, "I left my home where I had lived for twenty-five years. I left home and land, father and mother, brothers and sisters, for the Gospel and Jesus Christ."

He served the following charges: VanEttenville, Litchfield, Windham, Orwell, Nichols, North Danby, South Danby, Spencer, Van Ettenville, Tallmansville, Slaterville, Berkshire, Great Bend, Kirkwood, Oakland, Osborn Hollow and Port Crane, Greene, and Chenango St., Binghamton. The ministry of Brother Kinney was very successful from the beginning to its close, having some fruit on every charge.

He was a close student of the Word of God. He prepared most thoughtfully for the pulpit, and preached constantly the doctrines with deep earnestness and effectiveness. He was superior as a pastor. As he moved among the people he won their hearts. They saw in him a devout servant of God and a personal friend. Frank and generous toward all, humble and devout in spirit, preferring others rather than himself. A manly man; to know him was to love him.

He took a supernumerary relation in 1886. He continued to be useful as a Sunday School teacher, and in other departments of the Church. He was always active. He was in full sympathy with his pastor, and the work of the Church in general. He was a regular attendant on all the services of the sanctuary. His voice would always be heard in prayer and testimony in the prayer and class meetings.

The last meeting he attended, which was only a few days before he was stricken with paralysis which resulted in his death, was a meeting that will long be remembered by those present, as a meeting of great spiritual power. In this meeting he arose, his countenance lit up with smiles, and it seems that he felt that that meeting would be the last he would ever attend. He spoke in language most triumphant, among the many excellent things that he said, was this: "Brethren, this may be my last meeting with you, and if so, I don't want you to speak of me as dead when I am gone, for I shall not die; I have the promise that I shall live for ever. Hallelujah! to God and the Lamb."

Brother, thou art gone home to thy well earned rest. Thy sword has fallen from thy hand. The palm branch takes its place. No longer does the helmet press thy brow, but a crown of glory circles it round, the gift of the dear "*Chief Shepherd*" whom thou didst love to serve, and in whose arms thou didst calmly die.

A large concourse of loving and tearful friends, with many pastors from various parts of the Conference, attended his funeral. Services were held in the Chenango Street Methodist Episcopal Church, Binghamton, N. Y., and at Candor, N. Y. At the former place services were in charge of Rev. T. Harroun, P. E., and at Candor, Rev. W. W. Smith conducted the service. With loving hearts and hands tenderly we laid the body of the good man in the cemetery at Candor, N. Y., where it rests in certain hope, awaiting the resurrection of the just.

To the widow and daughters of our dear brother, we extend our heart's deepest sympathies.

#### REV. STEPHEN ELWELL.

The Rev. Stephen Elwell was born in Springville, Pa., March 26th, 1839, and died in Yatesville, Pa., March 11th, 1892. Born in the itinerancy, his father ranking high as a Methodist preacher, familiar with the lights and shades of our won-

derful system from boyhood, he enjoyed some advantages which were special to him. At an early age, when a mere boy, he was converted and joined the Church. His first efforts at preaching were made when only nineteen, but his membership with this Conference began in sixty-two, when he was twenty years of age. The following fields of labor were occupied by him in the order of their mentioning: Springville, Gibson, Great Bend, Chenango, Rome, Fairdale, Lellaysville, Carverton, Mehoopany, Lackawanna, Dunmore, Pleasant Valley, Plains, Hampton Street, Scranton, and Yatesville. What a record of appointments! Thirty years of steady, faithful, patient toiling for the Master, without a break in the record, without the loss of a Sabbath from sickness till the last year, without any rust on the sword he so valiantly wielded, and above all, without a stain or spot or wrinkle on the Christian character he maintained. Truly this is glory enough for any minister in the service of God.

Bro. Elwell was married in the year 1865 to Miss Eleanor Reed, who, with her three daughters and son, mourn their irreparable loss. In estimating his character it is necessary to know him in the intimacies and fellowship of his singularly pure and beautiful life. To say that he was thoroughly Methodist is to say that an effect should follow a cause. He believed in our theology; he was imbued with the earnest, warm spirit of the fathers; he went out like the Master "to seek and to save that which was lost," and he returned at manhood's noon bringing his golden sheaves with him.

As a preacher he was much above the average. He was doctrinal, practical, sympathetic, and at times powerful. His first sermon delivered before the Committee of Examination is remembered to this day for its pathos, its eloquence, and its power. Bro. Elwell was a plain man as well as a plain preacher. He was without vain ambition; he did not seek the honor that comes from men; he was content with the allotments and appointments of Providence through the regular channels of the Church. That a ministry which glowed with the fires of Pentecost should be followed by the upbuilding of the Church and the salvation of men is most natural. Hardly a year passed without special services and revivals, his last great effort resulting in the conversion of over a hundred souls. Bro. Elwell was a good pastor as well as a good preacher. He visited the homes of the people, and mingled with old and young with equal grace and dignity, winning his way by the genial spirit of the Christian and the gentleman to all hearts, and leaving the fragrance of a blessed memory everywhere.

The same kindly bearing marked his relation with members of this body. He was a fellow-laborer. He loved the brethren. For a year or more his health declined. He struggled hard to maintain an unequal fight with paralytic tendencies, and only yielded to the last stroke by giving up his life. As great as are the sacrifices of the itinerancy, the true itinerant finds his greatest trial in giving up the work. The last sermon he prepared, with the assistance of his wife, was from the text, "Unto you that believe, therefore, He is precious." How fitting thus to close his literary work in such exalted strains of holy meditation. But the sermon was never preached. When the writing was done he added with emotion: "There, I shall have to give it up." So sudden was his exit that no good-byes were said, no special messages sent to the brethren. His last words, like those of the ascending Christ, were a benediction. Retiring for the night, with no particular premonition of what the morning would reveal, he sent a message down stairs to his family, and a benediction to his son, and then composed himself to sleep. In the morning he was not, for God had taken him. Without a struggle, without a pain, he passed from the repose of sleep to the repose of death.

Preliminary funeral services were held in Yatesville, and then the body was taken to the Brick Church, Lackawanna, where a large concourse of people gathered. Dr. Hard, Presiding Elder of the Wyoming District, had charge of the services, and a large number of ministers spoke tenderly of the deceased, after which the remains were deposited in the Marcy cemetery, adjoining the church.

## MRS. REV. H. A. GREENE.

Mattie O. Phillips, the beloved wife of the Rev. H. A. Greene, was born in Saratoga County, N. Y., twenty-eight years ago, and "fell on sleep" in Osborn Hollow, N. Y., September 27, 1891. The most of her life until marriage was spent in Saratoga Springs, where she united with the Methodist Episcopal Church when about eighteen years of age. Her married life consisted of but five short years. Two precious children were given her, Paul, who died in early infancy, and Ella D., who is now "a bright gleam of sunshine" in our brother's lonely life.

Though always modest and unassuming, Sister Greene's influence for righteousness was felt along all lines of work on the charges which her husband served. Thoroughly devoted, her life was one of continued usefulness, and though unable to leave the parsonage for months, her sick bed became a tribune where she displayed to all who visited her, the wonderful keeping power of the Gospel. She had been an invalid for nearly two years, and during the last six months of her illness, when she knew recovery was impossible, her daily prayer on retiring for the night, was: "Lord, take me home before morning, if it be Thy will." She endured her long illness patiently, sustained by an unflinching trust in God. There was only one thing which seemed to tie her affections to this earth, and that was her love for her husband and baby. Her last hours were most painful; but she triumphed gloriously, and now she rests. Again and again she would say: "O for rest, I am so tired," and now she *rests* at last.

Rev. G. M. Colville, D. D., of Binghamton, assisted by Rev. A. F. Chaffee, of Union, N. Y., conducted the funeral services of our sister in the Church at Osborn Hollow, in the presence of a large concourse of friends. The burial took place in Saratoga Springs, where she awaits the first resurrection.

## MRS. REV. I. B. WILSON.

Mrs. Selinda D. Wilson passed from her parsonage home in Spencer, New York, Oct. 29, 1891, to the home of the blest in Heaven. She was born in Salem, Pa., Jan. 10, 1850, of Baptist parentage. Her father and one brother are ministers in the Baptist Church. She was early the subject of religious instruction, and at the age of twenty years consecrated her life to the service of her divine Lord and Master. She then entered into the fellowship of the Methodist Episcopal Church, of which she was a devoted and efficient member until she entered into the communion of the saints in light.

In 1872 she was united in marriage with the Rev. I. B. Wilson, a member of our body, with whom she shared the labors, sacrifices and joys of an itinerant life. Upon seven charges, beginning with Maple Grove, Pa., and closing with Spencer, N. Y., they toiled together in holy love and service. By her genial manners in the homes of the people, her deep interest in their welfare, and her efficient labors in the Sunday School, she endeared herself to many hearts on every charge. She had been in Spencer but a short time when she was taken sick, but the Church and community showed in many ways that she was held in high esteem. Ten long weary weeks of sickness preceded her departure. Yet in it all she did not murmur nor complain, but was perfectly resigned to the will of God. For the sake of her children, a bright son of fourteen years and a dear little daughter of eleven, she would have been glad to live. But even in this sore trial, the sorest of all in such an hour, she was able to trust them fully to her husband, believing that by God's blessing their steps would be guided in the way to Heaven. Quietly, peacefully, hopefully, she passed from the scenes of earth to the land of rest and joy eternal. At her funeral the church was crowded with sympathizing friends. A large number from a former charge drove a long distance to be present at her funeral, thus testifying their high appreciation of her Christian character and worth. The Presiding Elder preached the sermon, and was assisted in the service by the pastors of the Baptist and Presbyterian Churches. Her body was laid to rest in the Spencer cemetery to await the resurrection of the last day.

## MRS. REV. I. P. TOWNER.

Mrs. Sally Jane, widow of the Rev. I. P. Towner, a former member of Wyoming Conference, was born in Sanderson, Sussex Co., N. J., June 13th, 1825, and died in Scranton, Pa., Dec. 27th, 1891.

Her maiden name was VenNest. She was Married in 1847, and shared with her husband the itinerancy for thirty-one years.

Sister Towner was a helper in all departments of Church work and life. In the prayer services she was a center of spiritual power; in the love-feasts her testimony glowed with Christian experience; in her home was always found the welcome of the old-time hospitality. Her life was as a stream, even-flowing and pure; her death a golden sunset without a cloud.

On the very day she was to meet her children in a distant city she stood with her husband before the throne. The funeral services were conducted by her pastor, the Rev. Dr. Pearce, assisted by Rev. Dr. Floyd and the Rev. R. Hiorns. The remains were taken to Standing Stone for interment.

## MRS. REV. WILLIAM ROUND.

Mrs. Sarah A. Round, widow of Rev. Wm. Round, was born on the Conanicut Island, near Newport, Rhode Island, Jan. 14th, 1805, and died in Washington, D. C., March 4th, 1892, at the ripe age of eighty-seven years. Her maiden name was Carr, and she was descended from one of the oldest and most influential families of New England. In early life she united with the M. E. Church and held a continuous membership therein for over seventy years. In 1833 she began her itinerant life with her husband, and proved a worthy helper in the long and faithful service they rendered to the Church. In her husband's semi-centennial sermon he says of her, "She has been a faithful and untiring companion in all my labors during this long term of years, and I am indebted to her for a great portion of the success I have met with in the glorious work to which we have devoted our lives." Though frail she was enabled to reach all the fields of labor to which they were assigned, and being in full sympathy with every department of her husband's work, she helped to make him a workman "that needeth not to be ashamed, rightfully dividing the word of Truth." In all the ordinances of the Church she bore a conspicuous part. Her clear testimonies for Jesus, her fervent prayers, her beautiful life, which shone clear as crystal in the sunshine of her Lord—these and more endeared her to the people and made her a benediction everywhere. Her last years were crowded with almost continuous suffering, but she bore it with the heroic spirit of the martyrs; and when at last the hour of her coronation came, she was permitted such a sweet vision of her Saviour that the glorified spirit left its beautiful impress upon her face, till it shone as the face of an angel.

The funeral services were held in the M. E. Church at Manassas, Va., where the memorial address was delivered by the Rev. Levi York, of Washington, D. C., and the sermon was preached by the Rev. Robert Smith, from the text, "Blessed are the pure in heart, for they shall see God."

Sister Round's death was preceded by that of her son, Dr. Emory J. Round, an honored member of the Baltimore Conference, by just two months. She leaves a daughter, and a son who is a prominent lawyer, with many other friends who mourn her loss.

## Pastoral Address:

To the Churches within the bounds of the Wyoming Annual Conference over which, by the will of God, we are made overseers:

"Grace be unto you and peace from God our Father and from the Lord Jesus Christ."

To you, dearly beloved, your pastors in Annual Conference assembled, send kindly and fraternal greeting.

We are standing at the forty-first mile-stone in our history. From 1851 to 1892 we have been numbered among the tribes of our common Israel. From one of the least in the great federation of Churches, we have passed to the front rank, and we stand to-day among the strong Conferences of Methodism. "Surely God hath done great things for us." The world of to-day is not the same world of two score years ago. What enlarged opportunities! What improved and greatly multiplied facilities all ready at our hands for the attainment of life's highest and noblest ends! Great advantages are ours over those enjoyed by our fathers. Great responsibilities crowd upon us with our broader opportunities and more exalted privileges. God permits us to live in the brightest and best era this world has ever known.

"We are living, we are dwelling,  
In a grand and awful time,  
In an age, on ages telling,  
To be living is sublime."

We need divine illumination that we may know the great possibilities before the Church of Christ to-day. We ought, beloved, to glow with a quenchless zeal, inspired with a resistless faith that claims the whole world for Christ, and moved by the impulse of love that enlists in service every activity of our redeemed natures.

While we gratefully record that under the rich and constant blessing of God, the past year has been one of the best years in our history as a Conference, we desire to remind you of the

### OTHER MEN

who labored, and into whose labors we have entered. Eternity alone can reveal how great the debt we owe to the pioneer toilers of the former years, and their immediate successors, who, with a sublime faith and heroic sacrifices, laid the foundation for all our subsequent prosperity. They builded strong and well. Less than half a score of the charter members of our Conference could respond to the roll-call here to-day. A little handful only of that Spartan band remains with us to shout with the victors, to cheer on the reapers, and rejoice with us over the garnered harvests from fields of their own sowing. Sainted ones from the frontiers of the Glory land may look down upon the old Conference they loved so well, and, loving her still, may they not rejoice over her successes. We speak the names of a few of the many who stand now near the throne of light: Geo. Peck, Reuben Nelson, Zacheriah Paddock, Wm. Wyatt, Henry Brownscomb, DeWitt C. Olmstead, Vincent M. Coryell, with those who later joined their fortunes with those already mentioned, William H. Olin, William Bixby, and others of whom the world was not worthy.

Our Conference has also given to the Church a line of as royal Laymen as ever honored or served the cause of God on this earth: Ziba Bennett, Sharp D. Lewis, Richard Jones, Wm. Swetland, Payne Pettebone, E. C. Wadhams, of the Wyoming Valley; the Thurbers and the Groffs and Broadfoot, of Otsego, with many others of great worth and merit from other portions of our territory. Only yesterday they wrought in the quarries and builded for us. We dwell in palaces reared on foundations they laid. They worshipped in tents that we might rear temples. They transformed the wilderness into fertile fields that we might gather abundant harvests.

They threaded the forest paths on weary steeds, that we might travel in easy coaches or in Pullman cars. They preached in school houses, public halls, private houses and in barns, that we might worship in sumptuous temples. Blessed be the memory of the fathers in the ministry, and blessed be the memory of the fathers in the laity. Many, very many of them, have answered to the great roll-call at the throne. *All hail ye princes of God!* Shall we be able to say when we meet them again that "we have been true to the trust they left us?" that we have passed to our successors unimpaired and greatly enlarged and strengthened the goodly heritage they bequeathed to us? Shall we be permitted to say to those crowned heroes, that the Wyoming Conference is still, as at the beginning, instinct with the abiding power of the Holy Ghost? True to the faith and spirit of the fathers, that she is now saving souls by the thousand annually? Can we say that her altars are aflame with the fires God kindles? That holiness to the Lord is inscribed on her banners? That she is casting her gold down at the feet of Jesus? And that she is doing such heroic service as causes heaven to be glad and hell to tremble with consternation? We plead brothers for your earnest

#### CO-OPERATION.

The results we seek cannot be realized without your aid. "Let us be workers together." You have greatly refreshed our spirits and strengthened our hands when you have been most closely identified with us in the work of God. Our mission is "to spread scriptural holiness over these lands." "And who is sufficient for these things?"

The irrepressible conflict is upon us, the battle is joined, the enemies are legion. They seek to possess themselves of every strategic point on the field. Strongly entrenched, insolent and defiant, they also lie in ambush, but are none the less determined and relentless, though hidden. They assail our holiest institutions.

#### OUR SABBATH

is in constant peril. God's holy day is assaulted with fiendish intent. Our Sabbath, one of the strong bulwarks of the nation—day of hallowed memories, day of hallowed rest, freighted with heaven's best gifts for a sad and weary world, the boon of priceless worth to man—is in imminent peril. The Church of God must defend its sanctity and preserve the Holy Sabbath from profanation or utter extinction. Let us stand together for its defense and preservation.

#### THE TYPICAL AMERICAN HOME.

is in peril every hour. Associations, orders, societies, guilds, unions, clubs, leagues and numberless others devices, with a strong tendency to break up the home life or weaken its bonds, have swept in upon us like an avalanche, bearing everything before it. Our high pressure modern life affords but little opportunity for the cultivation and full development of that hallowed, never-to-be-forgotten home-life which some of us remember so well, and hope to be permitted to enjoy, renewed in Heaven. We must stand together in the defense of the home and contend for its purity and highest development. Into this Eden the hissing serpent must not enter.

We are committed to the extirpation of that blight and curse of all the nations, the sum of all the crimes of the age,

#### INTEMPERANCE.

We will not retract one word of condemnation we have ever uttered. We will not retreat. We have staked our all upon the issue and nothing less than final unqualified prohibition will meet the case. We will hold ourselves steady by the Grace of God in the most advanced line of battle. We call upon you brothers to join with us in solemn covenant to oppose the saloon and the nefarious traffic in all legitimate ways and up to the best light of our conscience, reason, and judgment; oppose it with all the influence we can command, and as long as we live, unless God shall permit us to see rum's black flag lowered before we go hence, and then suffer us to remain a little time in the border of this world's glad millenium. Already the battle is joined, the noise of strife is in the air. The great victory may be delayed, but the issue is not doubtful. The light of the approaching day tips the mountain

summits with crowns of glory. The great bell of destiny strikes now the death knell of satan's domination and calls the nations through the Church of God to make ready for the coronation of our Christ whose right it is to reign.

The terms Ministers and Laymen are sometimes misleading and understood to imply two classes, widely separated the one from the other, yet standing intimately related at points of official contact.

While we recognize the Scriptural distinction, we nevertheless firmly believe in the unity and equality of all believers in all the exalted rights and glorious privileges in the kingdom of our Lord Jesus Christ. All the blessed immunities of the Gospel are offered upon the same terms to both ministers and laymen alike, without distinction of class, condition or sex. Let us remind you therefore beloved of the great dignity and excellence of your

#### HIGH CALLING OF GOD IN CHRIST JESUS.

While you justly demand (and we would not have you abate that demand one jot) that the men who stand in your pulpits shall possess the unction of the Holy Ghost, that they shall live in constant and conscious communication with the throne, and receive therefrom the bread of life and break it to the congregation, men of pure hearts, clean hands, lips undefiled, and lives fashioned after the divine example; you, dear brethern, yourselves also have as free access and will receive as hearty a welcome into the Holy of Holies, and the source of power, as any other class in the Church of God.

The vail of the temple was rent asunder more than 1800 years ago. You demand a holy ministry, may you never demand less. Brothers, we will meet you at the cross. We will gladly join hands with you under the baptism of fire, and pray with you that God will give us a perpetual Pentecost.

Let us remind you also brethern that

#### THE BALANCE OF POWER

is in the hands of the laymen to-day. We would come very close to you and speak plainly and tenderly as we are wont to do. Are we not in the sacred office first by the will of God, and second by the will of the Church? You hold the key to every pulpit in our Conference. Having placed us in this office and work, the most responsible of any position on the earth, involving as it does the destiny of immortal souls, and the kingdom of God among men, we plead for your constant prayers, your sympathy, your love, your earnest co-operation.

#### FINALLY.

We must still give due prominence, as did our fathers, to "sin, righteousness and judgment to come," as the great realities of our faith.

That free grace, full salvation, and the witness of the spirit that we are now the children of God, are not extravagant hyperboles or beautiful metaphors. "That the blood of Jesus Christ cleanseth from all sin," is not simply a future tense expectation, but a positive, personal, divinely attested fact. With our hearts throbbing with the joy of this glad experience we shall go forth to save men. We must get nearer to God in the pulpit, in the pew, in the home, in all the affairs of life, in the highways and byways of business. Here is the hiding of our power. *We must get nearer to God.* "Now, unto Him that is able to keep you from falling, and to present you faultless before the presence of His glory, with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen."

## WYOMING SEMINARY.

*Dear Fathers and Brethren:*

The Trustees of the Wyoming Conference Seminary present their forty-eight annual report to your reverend body. In doing so we take much pleasure in the fact that the high reputation, established for so many years, as a school of high grade, has been more than maintained. The number of students in attendance is increasing each year, the last term having four hundred and thirty-five names on the register, which is thirty-five more than last year, and the largest in the history of the institution. Here young men and young women may acquire the best practical culture, with all the safeguards of a refined Christian home. Its graduates rank among the most eminent ministers of the gospel, teachers, lawyers, physicians, officers of government and business men of our country. The curriculum is so arranged as to give a thorough college preparatory course or an excellent academic education. No expense has been spared in bringing the departments of Art, Music, Elocution, Mathematics, English Literature, the Classics and Natural Science up to a high state of efficiency. The Wyoming College of business, connected with the Seminary, offers the opportunity for a complete course of business instruction, including Stenography, Type-writing and Telegraphy. Prof. W. L. Dean, A. M., continues at the head of this institution, and is ever bringing improved features into his work. The "Bennett Library" has been placed in elegant quarters, with fine shelving, cases and tables. The books have been arranged after the most approved methods, being classified and catalogued by the Decimal System, which is used in some of the best libraries in the country. New books are being added from time to time, but an endowment would greatly facilitate its increase and value. We have two reading rooms, one for the gentlemen and one for the ladies, which are supplied with many of the best newspapers and magazines now published. There is an excellent Museum of Natural History and a well furnished Chemical Laboratory in the Seminary.

The buildings are commodious, well furnished, heated with steam, lighted with electricity, and provided with modern appliances for comfort and safety. We have

an elegant chapel and music rooms in "Nelson Memorial Hall." A fine new pipe organ has been contracted for, to be placed in the chapel, which will add greatly to the interest in the religious services, and also in the literary entertainments. The expenses to students in Wyoming Seminary are lower than most schools of the same grade in this country, the entire expense of a school year being but two, hundred and ten dollars. Large discounts are made to ministers' children and to candidates for the ministry.

A new interest has been awakened by George F. Nesbitt, Esq., who has offered a prize for the best work done in an oratorical contest to be given once a year. The first contest was held last term, and proved a very interesting and profitable occasion.

Rev. Miner Swallow, a member of the Conference, has given his property to the Seminary, the Trustees agreeing to pay him a life annuity. This property is valued at ten thousand dollars, and the rents from it will nearly meet the annuity. We desire to express our gratitude to Brother Swallow for his munificent gift.

We are especially favored in having a highly cultured and efficient Faculty, all of whom have sustained their several departments of work grandly. The President, Rev. L. L. Sprague, D. D., has shown a peculiar fitness for the varied duties of his high office. He has retained the confidence of all, in his pure religious character, his able administration, and his ability as an educator. It is to him that we are largely indebted for the unprecedented prosperity of our Seminary.

Miss Anna A. Fisher, who had served so long and so faithfully as lady principal, accepted a call to the Denver University at the close of the last school year, causing a vacancy in that important position. The Trustees were fortunate in filling the vacancy by the election of Mrs. Minnie Mason Peebe, a graduate of Syracuse University, who, by her wise counsels, earnest piety, and fine scholarship, has won the confidence of all.

The discipline of this school retains its high reputation for thoroughness, and the deportment of the students has been exceptionally good. They are trained in habits of self-discipline and in the dignity of true character. The management is parental and personal, giving careful attention to health, social culture, and good morals, ever aiming to develop the highest type of educated manhood and womanhood. The spiritual welfare of the students is regarded as of the greatest importance, and each year records many who have been won to Christ their Saviour. There are two Christian Associations, the young men's and the young women's, both of which have done excellent work during the past year.

Our Conference Seminary needs more room to meet the demands of the great numbers who apply for admission to her halls. The President has been obliged to refuse a number of applicants during the past year, and that, too, after engaging all the available rooms in the residences adjacent to the Seminary. We beg you to use your influence and help to secure additional buildings, so as to increase the opportunities of our young people to obtain an education.

Christianity and intelligence are inseparable. The Christian life begins with knowledge. Jesus Christ was the great teacher, and he commissioned his disciples to teach all nations. The Church must always be the nursery of learning. She has taught the State the value of culture, and there follows a wide system of free schools for the children. The Church has a still larger and more important work to do in the field of education among the ever-increasing population of this great country. With the vast wealth about us there should be no lack of means to carry forward this great work.

We must have additional buildings for our school, or we shall lose a grand opportunity. The semi-centennial of our Seminary is approaching, and it is important that preparations be made for such a celebration of this event as will materially aid this institution by raising funds for new buildings and by increasing its endowment. It is hoped that this body will take such action with reference to this as to make it a great occasion.

We beg leave to nominate Hon. John J. Shonk, Lewis H. Taylor, M. D., and Thomas H. Dale, Esq., for re-election as Trustees to serve for a term of three years.

Respectfully submitted,

G. S. BENNETT, *President.*

J. G. ECKMAN, *Secretary.*

## THE STATE OF THE CHURCH.

A clergyman of brilliant talents, but loose theological opinions, gave up an independent religious movement with this plaintive confession, "The future of this world is in the grip of organizations." In the business world, the social world, the religious world the individuals are being swallowed up in the organizations, and the problems of earth are to be settled in coming battles among the giants.

If the future of the world is in the grip of organizations, then what is the condition of that particular organization which holds the world's hope? What is the state of the Church?

## (1.) THE CHURCH IS MORE HARMONIOUS.

The clash of creeds has made considerable noise through the year past, but the essential faith and peace of the Church have not been disturbed. England and America may bluster over the fisheries, but no one supposes that war between them is imminent. Not only are the factions of the different denominations drawing nearer together, but there are premonitions of a far-reaching and glorious religious trust—in the best meaning of that much abused word—among all religious denominations.

## (2.) THE CHURCH IS COMING TO BE MORE PRACTICAL.

We are learning more of Jesus' object lesson, when He took infants in His arms and carried them into His church. More than 800 infants were baptised by pastors of our Conference last year, nearly 100 more than the year previous. And we are trying to hold them for our Churches and for God. Children's classes and Junior Epworth Leagues are multiplying among us and we are providing intellectual and social advantages for them, to take the place of cheap fiction and dangerous amusements, as they come on through the enchanted and critical years between them and adulthood. We are searching out the poor of our communities, and gathering them as from between the hedges, into our congregations, and carrying their children in the Sunday School—the bosom of the Good Shepherd. Twenty new Sunday Schools were opened in our Conference last year, and nearly 1300 more pupils enrolled than in the year previous. We are hunting for the last member to report himself present in our congregations, in our class and prayer meetings, and in our collections, and the last of our voters is beginning to hear the Word of God saying, "Thou shalt not follow a multitude to do evil."

## (3.) THE CHURCH'S FAITH IS RISING.

The Word of God was never more carefully studied, nor more generally believed than now. The wonderful growth of our Sunday Schools; the increasing excellence of lesson helps; and the multitudes of converted children that pass into the Church from the Sunday School, are proofs.

The phenomenal growth of Young People's Societies for religious work points the same way. Another indication of the rising faith of the Church is seen in the better ways of providing for pastors; larger pensions to the veterans; and increased subscriptions to missions.

The time is at hand, we fondly believe, when the Church's prayer for righteous legislation, and for the evangelization of the world, shall be supported by such faith as shall come up before God, as Mr. Spurgeon said every true prayer should, saying, "I am a decree."

Respectfully submitted,

J. C. LEACOCK, *Chairman.*  
GEO. A. CURE, *Secretary.*

## MISSIONS.

Your committee on Missionary Cause would present their report, as follows : That we have cause for profoundest gratitude to God for the successes which have marked the year in the work of our Missionary Society. The response to the appeals of the Secretaries has been liberal and universal, indeed unparalleled.

The Church bowed in devout reverence before God for the delivery of the Society from the embarrassment of debt. This emancipation was made possible, we believe, by the joyful offerings of "Self Denial Week." A great vein of rich and productive missionary force has here been discovered; if, therefore, the mere croppings have assayed so well what may we expect deeper down and farther on!

We find that the amount of \$25,562 has been raised in the Conference this year, being an increase of \$1016 over the amount of last year.

"Our God is marching on"; we must keep step with the Eternal. "The glory of the Lord shall be revealed, and all flesh shall see it together." We must exercise unwavering and profound faith in the simple, express meaning of God's unchanging Word. Already we see the dawning of the promised glad day. Cheering and glorious are the tidings, reaching us from the lands far away. India is flocking from the darkness of her blighting, degrading heathenism to the "Dayspring from on high," our exalted and exalting Christ. China and Japan are swinging far out from the cloudy and chilling uncertainties of beliefs barren and enslaving, and are grasping the extended hand of the living Christ, to be raised from a dead and gloomy past into the light of the world Jesus—the same yesterday, to-day and forever. From every mission station, from every missionary, in all the lands occupied by our beloved Zion, the cry for more help is ringing out to us. Every Conference and Mission on the Pacific slope pleads and begs for more help from the Missionary Society, and why? An empire has even now founded itself yonder, and soon the States and Territories of that portion of our land shall tremble beneath the tread of advancing millions, seeking the light and liberty of the civilization of Christianity. Methodism, with the cross and the school, must meet them and lead them to Jesus, their Saviour and King. Lift up the eye on any part of the world—"our parish"—and we see the field ready for the harvest.

Owning our achievements up to this hour to be great and heaven-sealed, it is not ours to rest or seem to glorify ourselves, rather we must take the past as the presage of the future, and with God on the throne, Christ in our hearts, with the Holy Ghost as our inspirer and helper; with men and women born of God, whose all is concentrated to Christ and his redeemed; with the baptism of the Holy Ghost inflaming the churches which we serve, and under the solemn conviction that the weary, tardy step is not God's proposed method for the conquest, let us hasten to the work and "draw the whole globe into God's bosom so closely that the sound of his pulses may become the marching song of all the ages."

J. L. RACE, *Chairman*.

WM. G. SIMPSON, *Secretary*.

## CONFERENCE COLLECTIONS.

Against the prophecies of its foes, the cause of Jesus Christ is moving forward along all lines. New communities are being blessed with churches, new homes with the bible, and new hearts with the salvation of Christ. The Master not only says, "Go preach the gospel," but millions are welcoming the Church with its power to save; new fields are whitening; the harvest truly is great.

God works through means, and we realize that while we pray for the advancement of his kingdom upon earth, we are to use every available consistent means to advance it.

*Resolved*, That while we as pastors will earnestly seek the salvation of souls and the spiritual welfare of the people committed to our care, we will also give special attention to all our benevolences, endeavoring to so instruct our people that with perfect confidence they will contribute toward the various causes, and will try both by word and example to lead our people into the spirit of sacrifice along these lines.

WM. KEATLY, *President*.

G. E. VAN WOERT, *Secretary*.

## MINISTERIAL SUPPORT.

WHEREAS, On many charges in our Conference there are self-sacrificing and earnest ministers of God who are laboring with true fidelity for the Church and the salvation of souls, with salaries inadequate for a comfortable support; therefore,

*Resolved*, That vigilance be manifested at the beginning of the year by our Stewards in securing sufficient to meet the too oft pressing wants of those who are called under God to serve the Church, and thus relieve them from all embarrassment.

*Resolved*, That such a system be adopted as shall best secure prompt and regular payment.

*Resolved*, That we fully appreciate the untiring care and devotion of those who are called by the Church to the high and responsible office of Steward.

S. C. SIMPKINS, *Chairman*.

J. S. SOUTHWORTH, *Secretary*.

## EPISCOPAL FUND.

Your Committee on Episcopal Fund respectfully submit the following report:

|                 | Raised. |
|-----------------|---------|
| Binghamton..... | \$259   |
| Chenango .....  | 151     |
| Honesdale ..... | 187     |
| Oneonta. ....   | 180     |
| Owego .....     | 234     |
| Wyoming.....    | 527     |
| Total.....      | \$1538  |

This is an increase of \$58 over the collection for last year.

The amount apportioned to our Conference for the ensuing year is \$2370, and, as stated to this Conference by the Treasurer of the Episcopal Fund, Dr. Homer Eaton, the surplus which accumulated during the quadrennium ending May 1, 1888, is now nearly exhausted, and unless the Conferences greatly increase their contributions for the support of Bishops their salaries cannot be paid in full. In view of these facts,

*Resolved*, That we adopt such methods as will secure the entire amount apportioned to this Conference.

C. D. SHEPARD, *Chairman*.

H. B. BENEDICT, *Secretary*.

## CHURCH EXTENSION.

Your committee respectfully submit the following report :

|                          | LAST YEAR. | THIS YEAR. |
|--------------------------|------------|------------|
| Binghamton District..... | \$ 340 00  | \$ 381 00  |
| Chanango       ".....    | 117 00     | 158 00     |
| Honesdale       ".....   | 117 00     | 157 00     |
| Oneonta         ".....   | 136 00     | 178 00     |
| Owego           ".....   | 236 00     | 246 00     |
| Wyoming        ".....    | 1,015 00   | 788 00     |
| Total .....              | \$1,962 00 | \$1,908 00 |

This is a decrease of \$54.00.

WHEREAS, The United States is one of the greatest fields in which the battles for Christ and Methodism are fought, and upon the frontier new towns and cities are

continually springing up, which should at once be taken for Christ and Methodism by the establishing of a Church, and

WHEREAS, The forward march of Christ's Kingdom and the rapid growth of Methodism constantly make new and greater demands upon the Church, and this society has had marked success in planning for and aiding new churches, therefore

*Resolved*, That we much regret that decrease of \$54.00 in the collections of the past year, and that we commend the Board of Church Extension to the enlarged liberality of all our people.

*Resolved*, That we will not be content until, in the enlargement of this work under the direction of the General committee and Board of Church Extension, we shall fully perform the part assigned us as a Conference.

*Resolved*, That we recommend "Christianity in Earnest" as a publication of great value and worthy our support.

D. C. BARNES, *President*.

M. S. GOODSHALL, *Secretary*.

#### CHURCHES AND PARSONAGES.

We learn, from the reports of the Presiding Elders, that many churches and parsonages have been built and repaired during the past year in our Conference, and as a rule without incurring serious debt, but as we find that about 28 charges are yet without parsonages, we therefore earnestly urge these charges to provide comfortable homes for their pastors at the earliest possible moment. We will also discourage the contracting of debts of any large amount on our church property.

E. P. ELDRIDGE, *President*.

T. M. FUREY, *Secretary*.

#### FREEDMAN'S AID AND SOUTHERN EDUCATION.

We recognize the Freedman's Aid and Southern Education Society as one of the most important evangelizing agencies of the Church; its claims resting on the ground of humanity and mercy, the obligation of a stronger and more favored race to a weaker and unfortunate people; on the demands of justice to millions born in our own land, yet enslaved and oppressed by ourselves; on the ground of Christian duty that requires our best efforts to lift up and save all for whom Christ died; and on the ground of necessity for the common defense—necessity for the preservation of both our civil and religious institutions.

We also recognize the work of this society as one the most promising of blessed and fruitful results of any in which the Church is engaged, and it is a source of great satisfaction to us that the Methodist Episcopal Church was among the first to recognize the obligations and opportunities in connection with instructing and evangelizing the unfortunate people of the South, both white and black; that it was the first to enter this field, and that it has persistently held on to this work till the present hour.

We also recognize the success that has already crowned our efforts in this work, and yet at the same time must say that this work is but just begun, and feel it true that the farther we advance the more does the magnitude of the work appear. This must call for increased efforts for its consummation. We have faith in God, and through that faith we confidently believe that the influences emanating from the effort and ministries of this society shall go on with ever-increasing force and widening flow till Heaven shall record that the unfortunate and benighted in all the beautiful Southland have been lifted up and made to rejoice in knowledge, righteousness and peace through our common Redeemer and Lord; therefore,

*Resolved*, That we note with regret a decrease from last year in the collection for this society from our Conference of \$175, and that we call the attention of every pastor to this fact that we may correct this showing next year, and we trust that the

interests of this society will not be put aside or overlooked for any other interest whatever.

*Resolved*, That the Presiding Elders apportion the sum of \$5,050 among the various charges, the same being the amount asked for from this Conference for the ensuing year.

*Resolved*, That the presence and addresses of Rev. Geo. W. Gray, D. D., and Rev. G. E. Ackerman, D. D., S. T. D., have given us much pleasure and have been the means of bringing to us increased inspiration for work in behalf of this society.

W. R. COCHRANE, *Chairman*.

M. D. MATTOON, *Secretary*.

#### BIBLE CAUSE.

| Total.....    |                      | \$624.00 |

Less than last year, \$61.00, which we regret. Since the year 1804 the Bible Societies in Europe and America have issued Bibles, Testaments, and Portions, *two hundred and twenty-five millions of copies!* These immense numbers signify more than the mind can conceive or the tongue can tell.

At the Columbian Exhibition to be held in Chicago in 1893, the Secretaries of the American Bible Society intend to exhibit the Holy Scriptures in 296 languages. Think for a moment how many millions now in darkness will yet receive the light of life through the medium of these numerous languages!

*Resolved*, That as a Conference we highly appreciate our relation to this noble institution, and esteem it a very great privilege, through this most efficient agency, to assist in sending the written Word of God to all people; and we will in the future indicate our appreciation by the increased liberality of our contributions.

G. C. JACOBS, *President*.

S. S. KENNEDY, *Secretary*.

#### CHURCH MUSIC.

*First*. Singing is a most important part of worship.

*Second*. It should not be wholly delegated to that portion of the congregation known as the choir, but all the people should be encouraged to sing.

*Third*. Suitable books should be provided and every pew supplied with them to the end that every worshipper may be able to join in the songs of praise to God.

J. L. THOMAS, *President*.

J. D. BLOODGOOD, *Secretary*.

#### THE EPWORTH LEAGUE.

The Epworth League, like the other lines of work in Methodism, is of Providential origin and constitution. As Thomas Maxfield, sent of God, the messenger of the local ministry, stood before John Wesley asking approval, and as our "Societies," destitute of Pastoral oversight in 1784 demanded the formation of the Church, so in 1889 our young people asked a court of their own in the great Temple of Methodism.

The progress of the League in members, and in widely extended interest and influence, is marvelous. Less than three years old, it numbers nearly half a million

members, and exerts a powerful influence over the hearts and lives of our young people.

Its work is the greatest in which the young can possibly be engaged. It embraces the education of all the faculties of the physical, mental, and moral nature of man. Its great object is godliness, which "is profitable unto all things, having promise of the life that now is, and of that which is to come."

The future of the Epworth League is most encouraging. When the General Conference shall have engrafted it into the body of the Church, as it has the Sunday School, and when its members shall number one or two millions, and when the conversions through its influence shall have reached one hundred per day, it will be one of the mighty forces under God that shall move the Church on to glorious victory.

Our Conference embraces 114 chapters, and 10,000 members, with a Conference League, and a District League for each of the Districts.

At the Anniversary of the Conference League, the officers were re-elected, as follows:

(See Officers of Conference Societies).

Signed, W. H. STANG, *Chairman*.  
J. H. WESTON, *Secretary*.

### SUNDAY SCHOOLS.

Your committee is gratified to report progress in Sunday School work the past year.

During the year 1891 there were organized in connection with the Sunday School Union, 574 new schools—an average of 11 every Sunday.

While some of these schools are entirely self-supporting, many of them could have had no existence but for the aid given them by the Union.

The Sunday School Union founds new Sunday Schools in destitute communities; helps feeble ones to become self-supporting; is doing special work among the colored people of the South; affords aid to Sunday Schools among the Indians; and since 1847 has carried the work into fifteen foreign countries.

The Union reports for 1891, 27,493 schools, 2,326,866 scholars, and 128,135 conversions.

During the year just past more than one-fourth of our churches took no collection at all for this most worthy object. The general average was only \$1.92 for each charge; the average contribution was only one and six one-hundredths of a cent per member.

For the present year the Union asks the Church for \$50,000 to carry on its great work of benevolence. \$1,100 of this amount is apportioned to the Wyoming Conference.

We request, therefore, that the Presiding Elders apportion the above amount to the charges within their several districts.

During the year there has been raised for this work:

|                           |          |
|---------------------------|----------|
| From Binghamton District, | \$ 62.00 |
| “ Chenango “              | 44.00    |
| “ Honesdale “             | 48.00    |
| “ Oneonta “               | 44.00    |
| “ Owego “                 | 59.00    |
| “ Wyoming “               | 155.00   |

Total,..... \$412.00

An increase of \$41.00.

J. R. ANGEL, *Chairman*.  
CHARLES SMITH, *Secretary*.

## TRACT CAUSE.

Your committee recognize the importance of the work done by the Tract Society of the Methodist Episcopal Church and the necessity for its hearty support by the pastors. It furnishes a high type of religious literature, and sends it into all parts of our land and to all classes of society. Many places, otherwise neglected, are thus reached, the good seed is sown and a harvest begun for the Master.

Tracts, judiciously used, greatly aid the pastor in his work. They appeal silently to the inner self, and many times awaken conviction where a personal approach would arouse opposition.

They are not only printed in many different languages and distributed through our mission fields, but they are put into the hands of foreigners landing upon our shores, many of whom can read their own language but cannot read ours. They are thus almost compelled to read the tracts of our Society, or to read nothing at all. Besides its other special work in foreign lands, the Tract Society makes an appropriation of \$5000 to the mission press of Calcutta. The Board of Managers ask for \$1,100 from Wyoming Conference this year.

We would recommend the brethren to consider the great work done by this society and in no case to neglect the collection.

We also recommend them to accept the offer made by the Tract Society, and to receive in return for their contributions one half of its value in tracts.

GEO. L. WILLIAMS, *Chairman.*  
IRA C. ESTES, *Secretary.*

## STATE OF THE COUNTRY.

Our nation is at peace with all the earth. While ripples of political agitation and small clouds of portentous war have crossed the quiet sea of our national life, and to-day an unsettled feeling exists between our government and the land on the opposite shore of the Atlantic, yet we expect, nay, we are confident, the standards of the high and lofty one that inhabiteth eternity will ever prevail for the adjustment of matters in dispute.

We rejoice in the indisputable fact that all the institutions of our nation, civil, religious and political, are yielding to the moulding hand of a civilization upon which God is smiling, the soul of which is Christ the Lord. The perfection of this civilization is being reached more and more, but let us note the ever present truth, that what we require of God he requires of us. To pray for the bestowment of good and the enlargement of virtue is not all our duty, we must do the good and cultivate the virtue.

Where is the secret of the might, glory, and sovereignty of citizenship to be found? Not only in our independence, nor is it emblazoned on the escutcheon of our liberties—it is to be found in the life which reflects the Creator, and this reflection is not attained by turning the soul toward the visible and the earthly, but by letting the power of God rule within us.

There are great, organized and deeply entrenched barriers in the way of this purer and higher development of our national life:

The bold, defiant liquor power, seeking to corrupt and enslave the thrones of justice and legislative enactment; all forms of gambling—horse racing, pool selling, the Louisiana Lottery—infidelity, insidious and multifarious, including the publication and dissemination of a vile, leprous and obscene literature.

It is with gratification that we watch the movings of the minds of great men and great thinkers on the vital questions involving the purity of the ballot, an increase of the benefits of civil service reform, the relation of capital to labor, and a better regulation of immigration laws.

And another great menace to our country and her institutions is found in anti-protestant religions. Regarding such we must ever sound the tocsin of the founders of our country—"Eternal vigilance is the price of liberty." Against all these obstructing forces the standards of God must be lifted up.

There is a false alarm sounding out through the land, that the intervention of the powers of righteousness and heaven with the powers of evil and darkness, is an in-

fraction of personal liberty. This is a question demanding our best circumspection and judgment, especially with the rising generation. It is ours to show the weakness of the charge, to show that it is devoid of a knowledge of the nature of true liberty, and that the yoke of Christ alone confers the most perfect liberty.

We respectfully suggest the channels through which the ultimate remedy is to flow.

The central idea of our government is found in the fact that it affords the amplest opportunity for the development of man as a moral power, therefore, the country as a whole must be the symbol and embodiment of morality. The moral strength and perpetuity of the State will depend upon the individual citizen whose soul God has touched; the true citizen therefore is not he who is commanded and compelled by law, but he whom the Gospel of the Son of God empowers, whose boast is—"I would be measured by my soul, the mind's the measure of the man." Keep the flag of the union, the symbol of light and liberty, ever waving over the heads of the children in the schools of the land, and the knowledge of Christ Jesus and Him crucified in their hearts and homes, for it is from the halls of education and from the altars of the Protestant Church, that the citizenship which is to consummate God's ideal America, must march into its sovereign coronation.

We pledge our sympathy and help to the men who seek to protect our land from the evil stratagems of God-denying men, and to support all wise legislation looking to the abolition of the fountains of impurity, immorality and crime.

A. F. CHAFFEE, *Chairman*.

WM. G. SIMPSON, *Secretary*.

#### TEMPERANCE.

The evils of the liquor traffic are too well known to need rehearsal. It is sufficient to say that its blighting influence is not confined to the individual and home, but extends to municipal and national affairs. It lays its hand, stained with intrigue and corruption, upon the legislative halls of our country, dictating laws in harmony with its own designs. Its present position is that of dictator, its next, if not overthrown, that of tyrant. It holds no allegiance to the laws of conscience or good moral government, but is becoming a law unto itself.

The saloon is the organized foe of every Christian Church. The Church is the divinely organized body opposed to every evil. With the intense activity of human life in all of its modes of operation during the latter part of the 19th century, is the intense activity of the organized evil—the saloon.

The two great organized forces, the Church and the saloon, are coming into closer conflict every year. For the Church to falter means defeat. Eternal vigilance on the part of every christian is the price of our liberty from this great foe.

The devastation of this enemy of the Church, home, and nation, is unparalleled by any other. As we view, in the light of the past, its destruction of human life, together with its present position of power and dominance, we may well ask "who is able for these things?" But the answer comes, truth and righteousness know no ultimate defeat. Victory has been delayed by the lack of unity in the ranks of temperance people. Your committee looks upon this condition of the temperance people with regret, yet we have faith in God that he will, out of apparent discord, bring harmony, and out of harmony strength, and from this happy union will come victory for God, Church, and home.

Temperance reform has in its progress passed through the various forms of moderation, moral suasion, education, and total abstinence for the individual, and license, local option, and legislative prohibitory measures for the state. We believe that the best possible results lie along the line of two methods, total abstinence for the individual and absolute prohibition of the manufacture and sale of intoxicating liquors as the law of state and county.

In view of the present condition of the liquor traffic in relation to moral reform we offer the following resolutions:

*Resolved*, That we recognize in the liquor traffic the greatest foe of our Church, home and nation.

*Resolved*, That we will uncompromisingly oppose all laws which, by license or otherwise, tend to continue this great evil.

*Resolved*. That we pronounce in favor of constitutional prohibition for the state and country as the ultimate solution of this great question.

*Resolved*, That as Christians we place ourselves, in relation to this evil, in harmony with the highest Christian principles and enlightened conscience, allowing no party fealty to be a bar in the exercise of these principles.

M. D. FULLER, *Chairman*.

I. N. SHIPMAN, *Secretary*.

On motion, the Conference added the following resolution :

*Resolved*, That, while we do not advise the taking of partisan politics into the pulpit, yet, in view of the woes of the drink traffic, we call upon all of our ministers to protest against any political organization that favors license or in any way abets the evils of this unholy business.

### OBSERVANCE OF THE SABBATH.

The Christian Sabbath is a divine institution. The command to "Remember the Sabbath Day to keep it holy," has never been repealed. It was written by the finger of God upon tables of stone; it has also been written by the finger of God upon the constitution of man. Both soul and body need the Sabbath day, with all that day implies.

This command has also been written by the finger of God upon human history. Sabbath desecration has always brought a curse upon the individual, upon the family, upon the community and upon the nation. While the devout and pious observance of the Sabbath has always brought a blessing.

Recognizing these facts, and believing the Sabbath to be one of the strongest bulwarks of both Church and State, and viewing with alarm the forces at work to destroy the sanctity of the Sabbath; therefore,

*Resolved*, That as pastors of Wyoming Conference, we will do all within our power to stem the tide of Sabbath breaking within our borders.

*Resolved*, That we call upon all our people to unite with us in defending this "pearl of days," with all its precious memories, from Sunday trains, Sunday excursions, Sunday newspapers, and all other forms of Sabbath desecration.

*Resolved*, That we note with pride and satisfaction that New York and New Jersey and Ohio have decided that their exhibits at the World's Fair shall be closed on the Sabbath, and that we express the hope that Pennsylvania, and all the other states of our great Republic, may speedily follow these noble examples.

*Resolved*, That we commend the work of the American Sabbath Union, and are glad that its work and workers found a place upon our Conference Programme.

C. A. BENJAMIN, *Chairman*,

I. J. SMITH, *Secretary*.

### PUBLICATIONS OF THE METHODIST BOOK CONCERNS.

We are grateful to our Heavenly Father for the continually increasing prosperity of our Book Concerns. The past year has been the most successful in their history. The sales have been \$2,043,672, on which there has been a net profit of \$173,000, and \$120,000 of this amount have been paid out to the superannuated preachers of this several Conferences. Of this dividend our Conference has received \$1884.

The prosperity of the publishing houses has been so great that the agents have been enabled to reduce the catalogue prices of books from 20 to 40 per cent., and yet pay \$5000 more in dividends than last year. In the money that comes back again to the Church, in the beautiful inspiring literature that is issued from the press, and in the constantly decreasing prices of books, we see the wisdom of Methodists patronizing their own publishing house.

It is encouraging to learn that the circulation of our periodicals has been larger

the past year than ever before, and may the good work go on until in every Methodist home is found a Methodist paper.

The record of our Book Concerns is most satisfactory. From a very small beginning they have grown to be the largest religious publishing houses in the world, while thousands of dollars have annually been expended in new buildings and new machinery. They are now free from debt, and while the literary standard of a Christian literature has been kept up, the prices have been greatly reduced.

We rejoice in such a record. We predict still greater prosperity in the future.

## INSURANCE.

WHEREAS, About the time your committee were formulating plans for a Conference Mutual Fire Insurance Association, the Genesee Conference completed and published a similar one with a charter from the state of New York.

WHEREAS, We do not deem it advisable to multiply organizations, needlessly, and this organization is abundantly able to do the work we designed to do for ourselves; therefore,

*Resolved*, That we commend to the favorable consideration of this Conference, the Church Insurance Association of the Genesee Conference, of which Dr. James E. Bills of Rochester is President.

*Resolved*, That, if it be found that this association cannot operate in the state of Pennsylvania, we recommend the organization of an association by our Conference which can operate in New York and Pennsylvania.

A. F. CHAFFEE, *President*.

AUSTIN GRIFFIN, *Secretary*.

## RESOLUTIONS.

*Resolved*, That this first visit of our beloved junior Bishop Goodsell to our Conference has been a source of great pleasure and satisfaction to us; his opening address and his sermon on the Sabbath both edified, instructed and inspired us.

*Resolved*, That we listened with pleasure, mingled with awe and wonder, to the tremendous array of facts brought to us by our Missionary Secretary, Dr. J. O. Peck. Such trumpet blasts cannot fail to arouse the slumbering soldiers of Christ's loyal army and the Church to more zealous efforts to push out the messengers and martyrs to the darkest places of the earth.

*Resolved*, That our thanks are hereby heartily and earnestly expressed to Dr. J. Richards Boyle and the other pastors of Wilkes-Barre and their people and friends in the city and vicinity for their princely hospitality during our session amongst them.

*Resolved*, That we express our most sincere gratitude to the noble men and women who have made and are making such grand efforts to provide churches and parsonages for our people and a soft pillow for the head of the weary itinerant. God bless Priscilla Lee Bennett, William Connell, Caroline M. Pettebone, H. H. Crary, Kate Stewart Hessler and her sisters, and all others who have done so nobly in these enterprises.

*Resolved*, That the Secretary and Treasurer and their several assistants have done their difficult work promptly and well, without salary, and we thank them all.

*Resolved*, That we thank the Stewards of this session of our Conference for their patience and painstaking in trying to provide a comfortable support for the worn-out preachers and their wives out of the funds that are placed in their hands.

*Resolved*, That we tender our thanks to the N. Y. L. E. and W., D. L. & W., D. and H., L. V., C. & C. V., N. Y. O. & W., P., P. and R., E. & W. V. railroads for reduced rates to those attending Conference, and for the annual issue of clerical permits.

J. S. LEWIS, *President*.

J. K. PECK, *Secretary*.

## LIFE & TRUST CO.

OFFICE : OF PHILADELPHIA.

### ENDOWMENT INSURANCE.

The primary purpose of Life Insurance is to provide indemnity, and in the various modifications of forms which are attempted, this end should never be overlooked or subordinated. Among the several forms presented there is none so obviously proper as Endowment Insurance. Ordinarily the head of a family is confronted with two contingencies. First, there is the danger that his death may be untimely, and that he may leave his family destitute or with an inadequate provision. Secondly, if he should escape this calamity, and should live to the commencement of old age, he might find himself with failing powers without a competence for himself and wife. An Endowment Policy provides against both contingencies. If death should occur, the amount of the policy is paid to the family; or if the insured should live to the maturity of the policy, the amount is paid to himself as a support for his and his wife's old age.

At the earlier ages especially the difference in premium between an Ordinary Life Policy and an Endowment is very slight. The time for such a policy to mature should in most cases not be earlier than 60 or 65. In a company whose risks are well selected, whose investments are made with skill and care, and whose affairs are economically administered, the financial results of Endowment Policies are very attractive.

An Endowment Policy is a sure incentive to save money. The recurrence of the premiums at regular periods is one reason, and another and perhaps stronger reason is that small amounts are readily invested in this way, while, as is well known to investors, it is difficult to invest small amounts by ordinary methods. Extended observation justifies the assertion that, in most cases, the matured endowment received at the beginning of old age represents money which would not otherwise have been saved. Further, it must be remembered that money invested in an Endowment Policy is lifted above the hazards of business.

### NEW FEATURE.

Under the peculiar organization of this Company, it is possible to present a new feature which will be recognized as meeting a very general need. Few women, however intelligent, have had business experience or are qualified to make investments. The investment of the proceeds of a large insurance made payable to a wife, imposes anxious care and perplexity upon her when she is distracted by grief. Even if the investment should be safely and profitably made, the collection of income may involve risk and trouble. And acting under friendly but mistaken advice, unfortunate and disastrous changes may be made in investments. This company offers, as a remedy, to become trustee for the amount of the insurance; to invest it under the provisions of the law; and to pay the income yearly to the wife during her lifetime, or, if so arranged, for as long a period as she may desire. Or the income may be paid partly to the wife and partly to the children; or in various other ways. Money so invested would be surrounded by the restrictions and safeguards which govern the company in its Trust Department. The charge would be merely nominal, the intention not being to make this a source of profit, but rather to extend additional advantages to the policyholders.

# METHODIST EPISCOPAL **Hospital,**

Corner 6th Street and 7th Avenue,

**BROOKLYN, N. Y.**

---

REV. J. S. BRECKENRIDGE, SUPERINTENDENT.

---

**T**HE Methodist Episcopal Hospital in Brooklyn has seventy beds. To maintain these costs annually not far from \$500 each. The income from paying patients and other sources reduces this to about \$365. We need therefore one additional dollar each day for each bed. We are absolutely dependent for this upon the gifts of the charitable.

Destitute sufferers are applying to us constantly for medical and surgical treatment, and it seems a pity if not a sin to turn them from our doors.

\$365 supports a bed for one year. Nine beds are now being supported by as many individual gifts of that amount. The year for some of these will soon expire; they ought not to be closed. Who will keep them open? \$30 maintains a bed for one month and \$1 for one day.

The Hospital has established a Children's Ward, accommodating about fifteen cribs. \$250 supports one of these for a year and \$5 for one week. Twelve of these are being thus maintained by special friends. Who else will volunteer to help? Kindly aid us in caring for the sick and crippled children by keeping their cribs open.

A "Wyoming Conference Bed" is being supported and gradually endowed. Gifts for this are solicited.

\$5,000 endows a bed in perpetuity, and makes it forever free to the destitute sick. Twenty-six beds have already been endowed.

\$3,000 endows a child's crib in the same manner. Two are being endowed.
